

# Councillor Request Inquiry

## #118

2017

Please find below the link to the SCES pages on the Strathcona County website where the 62 Urban Wildfire Risk Assessments have been noted. There is a list of the sites as well as a map that indicates the 62 locations. The information requested by Council is now live and available for all residents to view.

<http://www.strathcona.ca/departments/emergency-services/community-safety-education/wildfire-risk-reduction/urban-wildfire-risk-assessments>

All inquiries from the public may be directed to our Community Safety Education Coordinator. The phone number and email are on the webpage.
