

# Jim Common Drive Traffic Calming Project

Priorities Committee Meeting  
March 14, 2017

# Background

- Jim Common Drive (JCD) South and North are scheduled for rehabilitation in 2017.
- Resident and engineering concerns with traffic speed and pedestrian safety on both of these roads.
- For these reasons, an engineering-driven traffic calming project was initiated for these roads in October 2016.

# Project Timeline

# Phase One: Understand Resident Priorities and Concerns

- *Improve pedestrian safety*
- *Improve visibility*
- *Reduce speeds*
- *Discourage short-cutting*
- *Maintain traffic flow*
- *Minimize traffic noise*
- *Reasonable Cost*

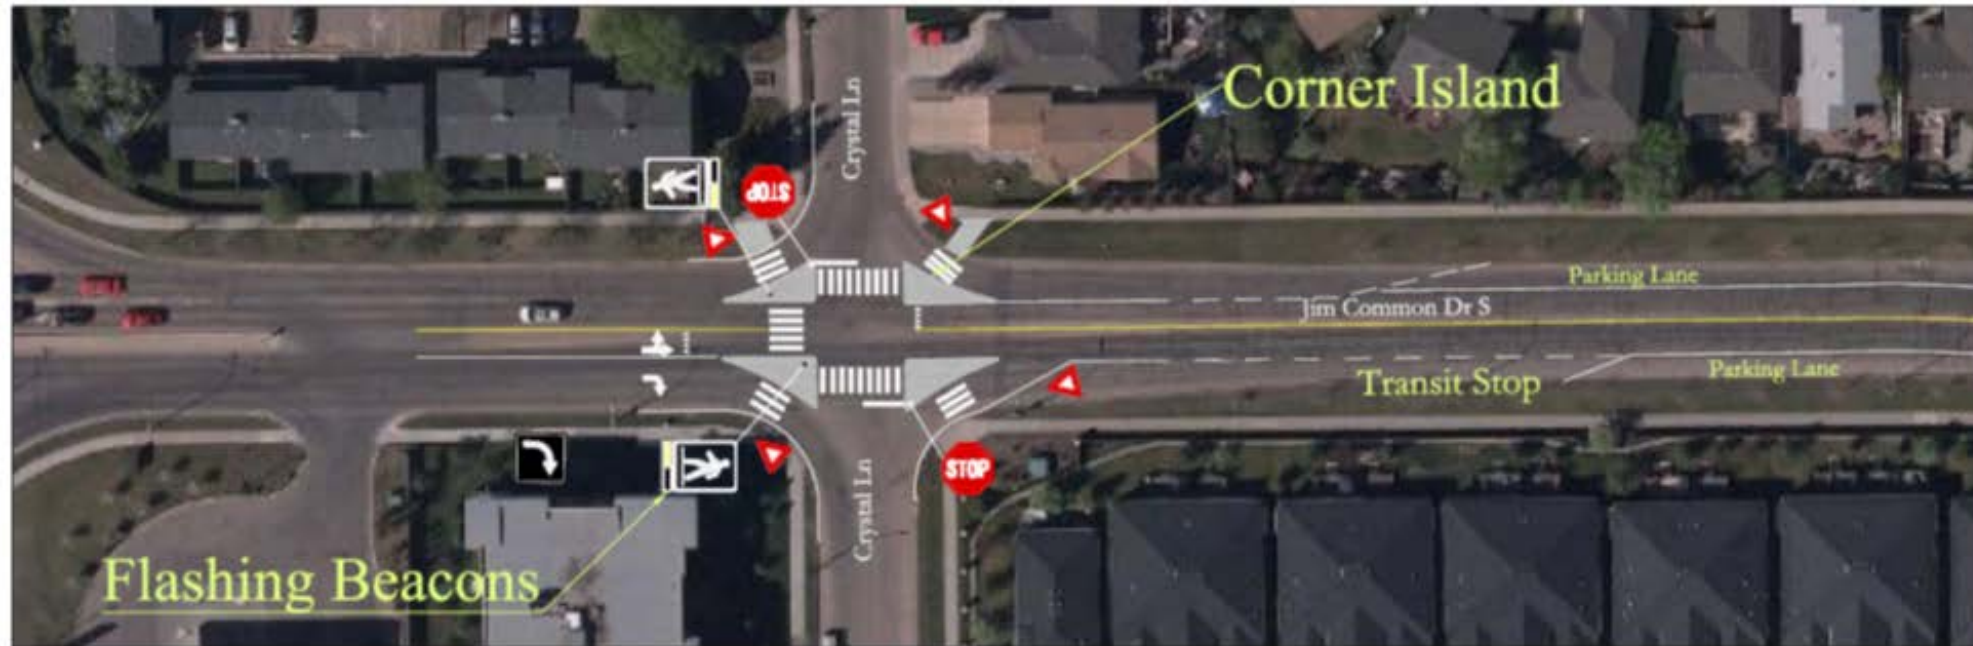

Based on feedback, these criteria were used to develop and evaluate traffic calming options.

# Phase Two: Feedback on Options

- Open House/Survey- 140 residents participated
- Traffic calming options were presented to residents for their feedback
- Traffic calming was proposed for six locations of concern
  - JCD South at Crystal Lane
  - JCD South at Cranford Drive
  - JCD South at Brower Drive
  - JCD North at Trail Crossing (north of JCD South)
  - JCD North at Clover Bar Park
  - JCD North at Trail Crossing (near Crimson Drive)

# JCD South at Crystal Lane

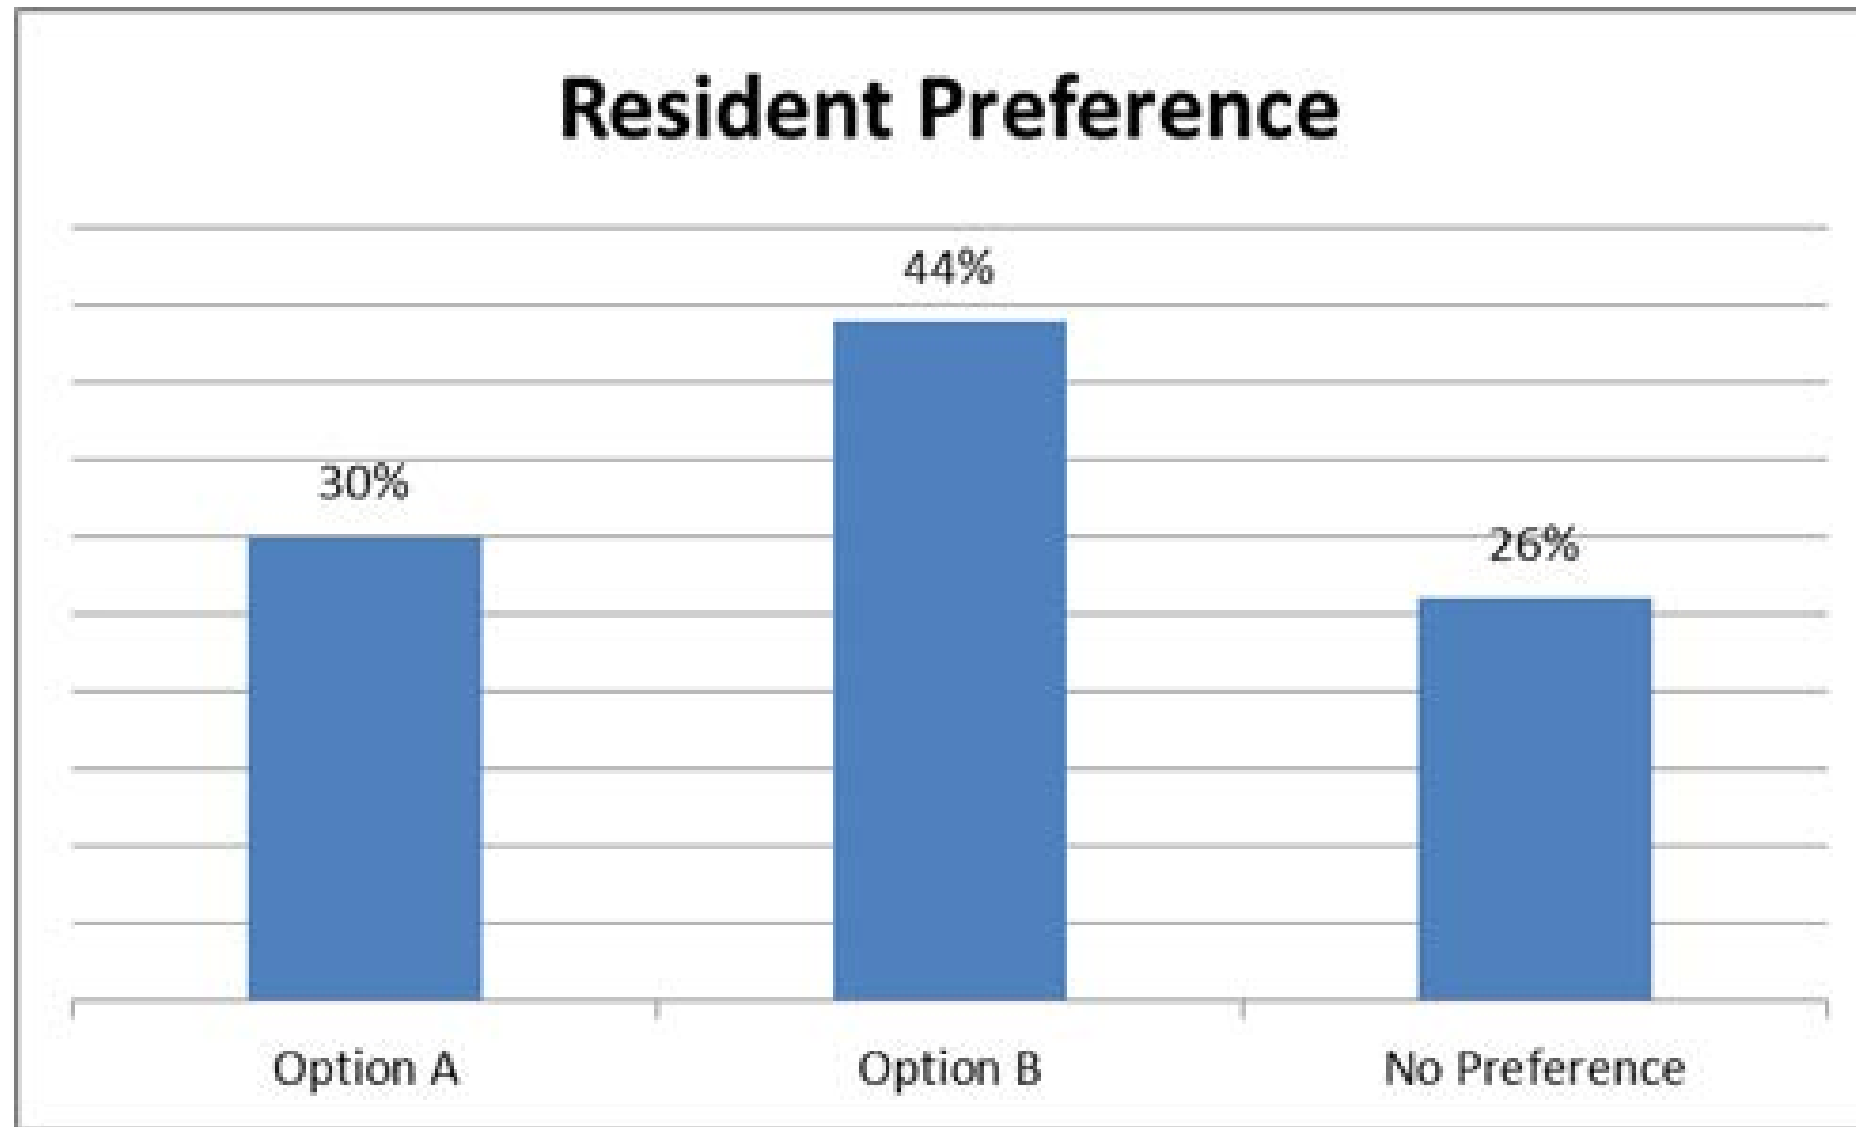

Option A

Option B

# Recommendation

## Option B: Median Islands

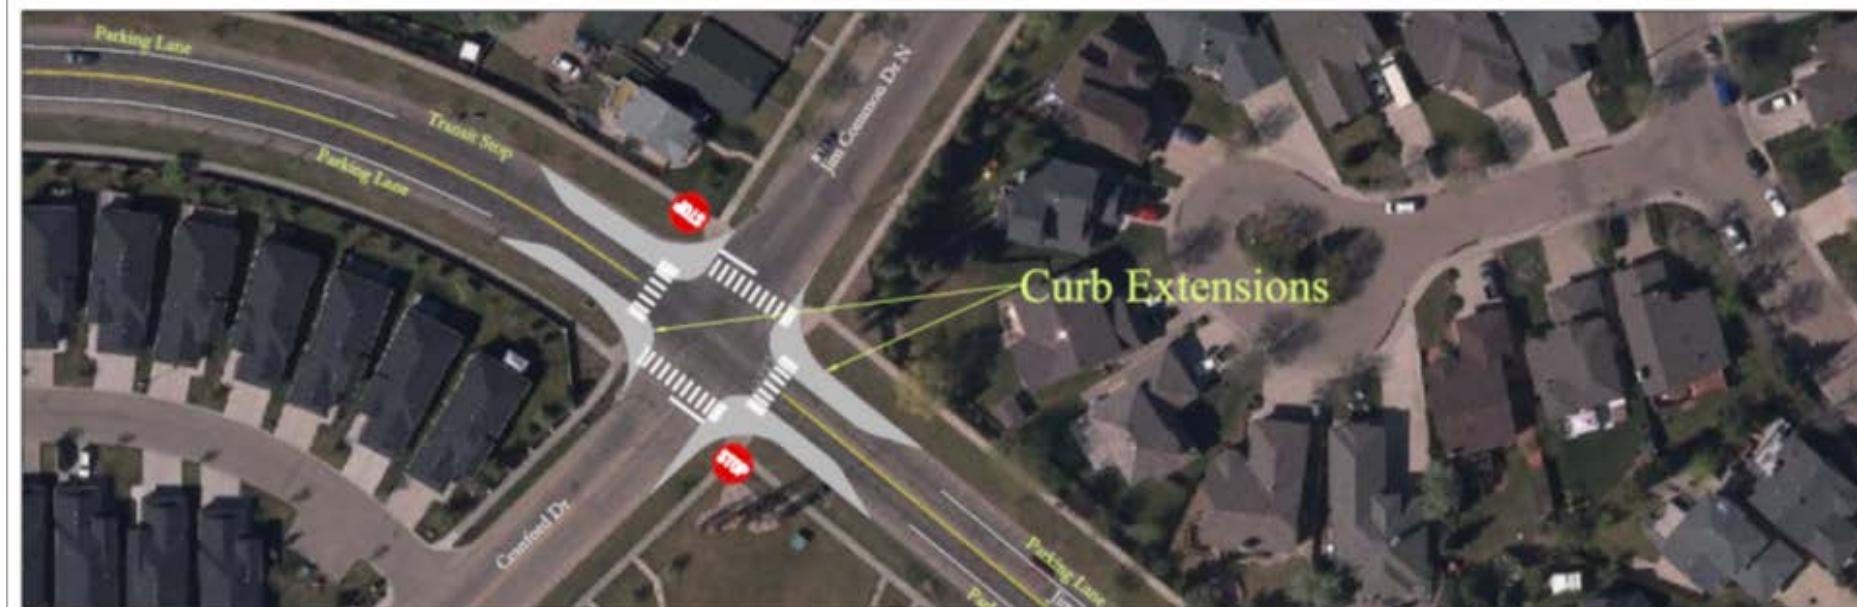

# JCD South at Cranford Drive

Option A

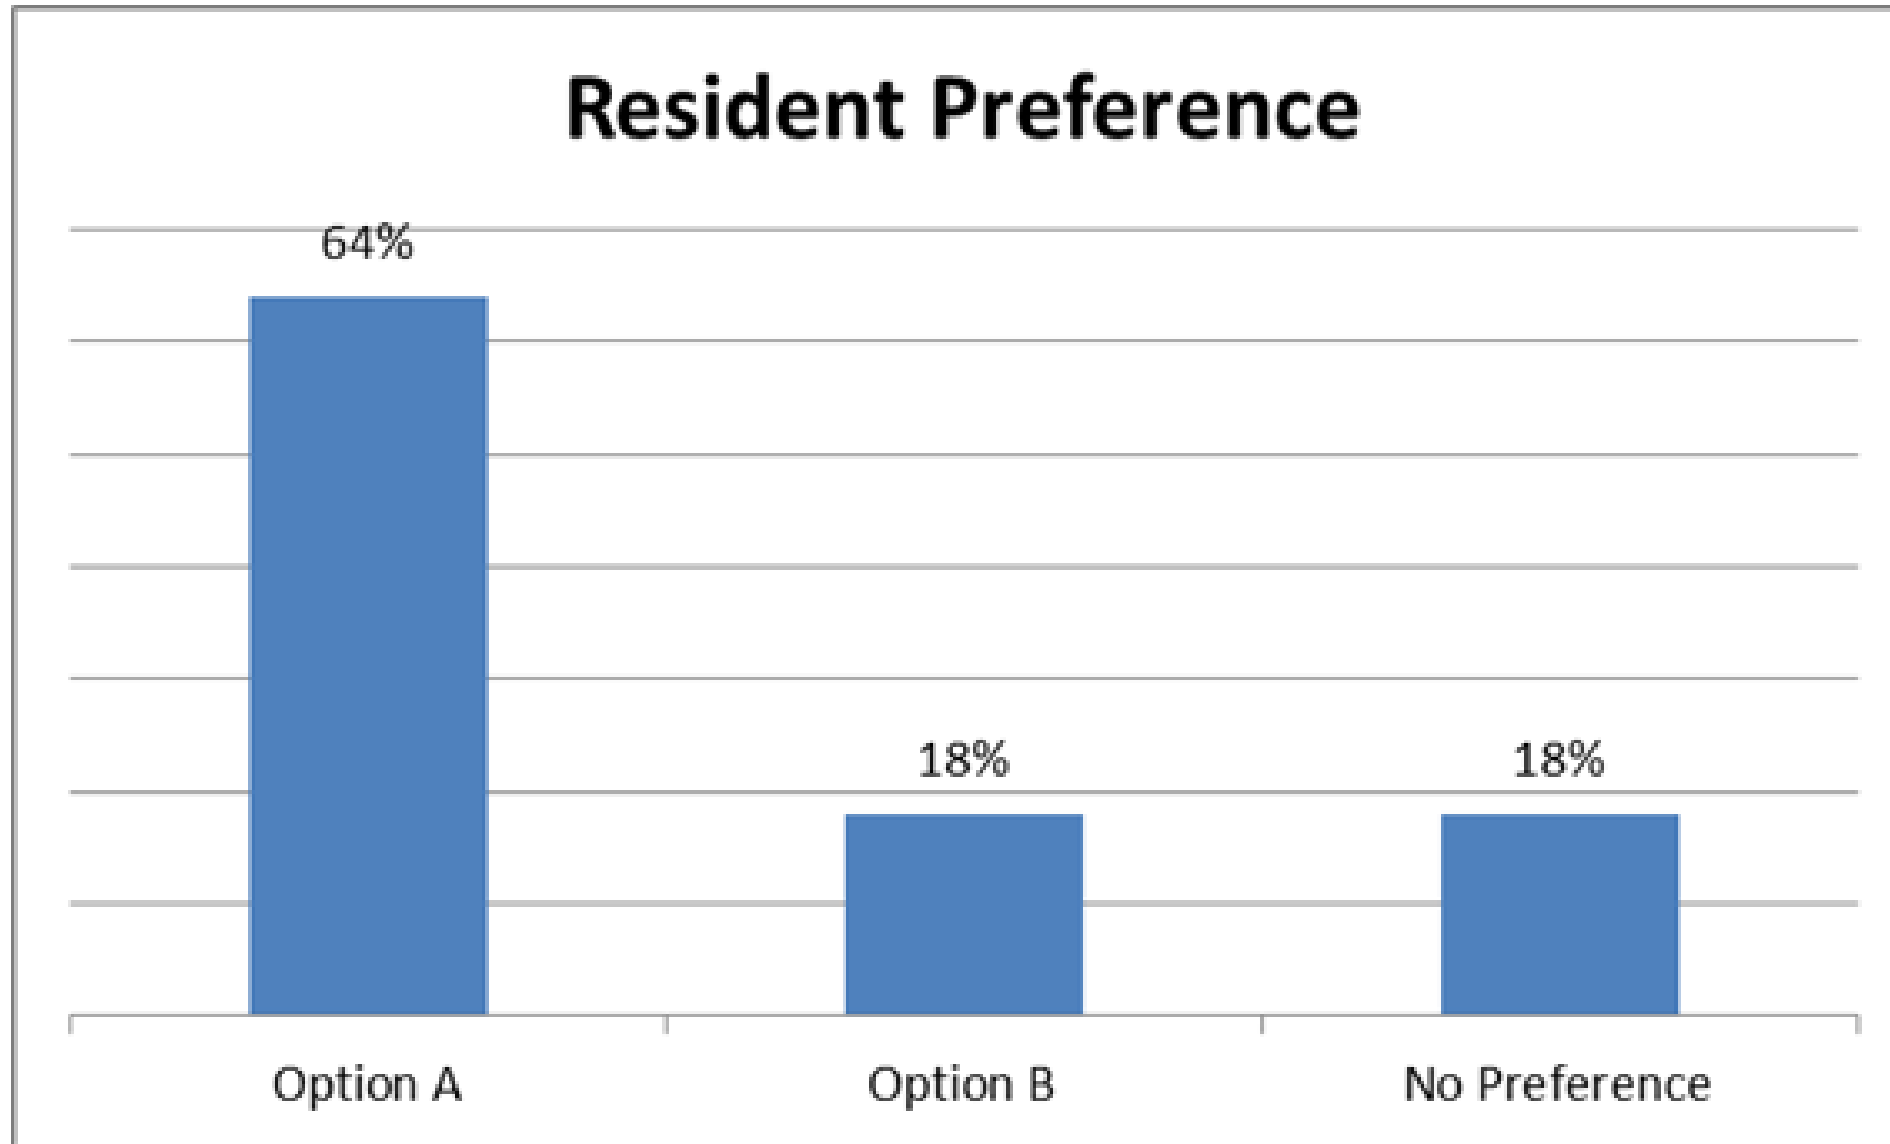

Option B

# Recommendation

## Option A: Roundabout

# JCD South at Brower Drive

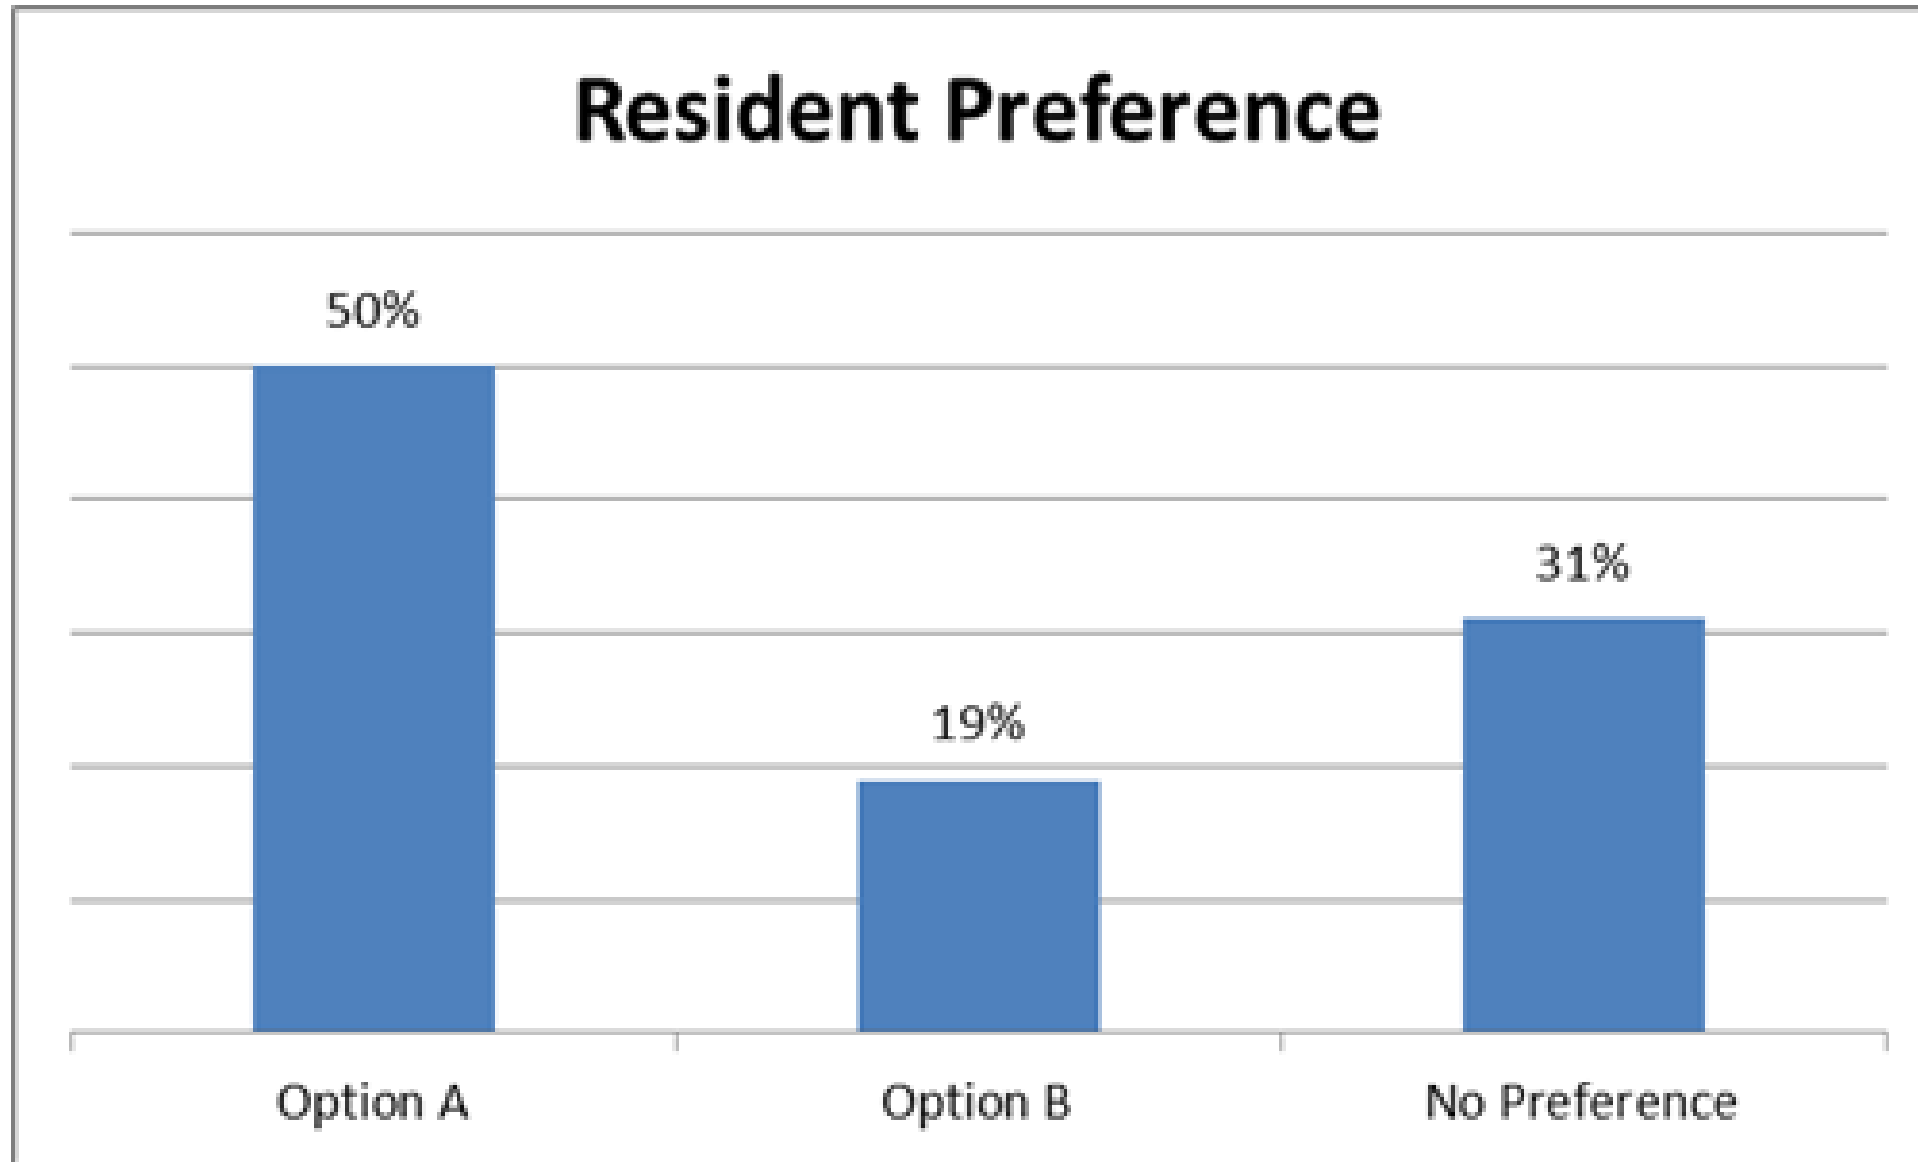

Option A

Option B

# Recommendation

## Option A: Roundabout

# JCD North at Trail Crossing (North of JCD South)

Option A

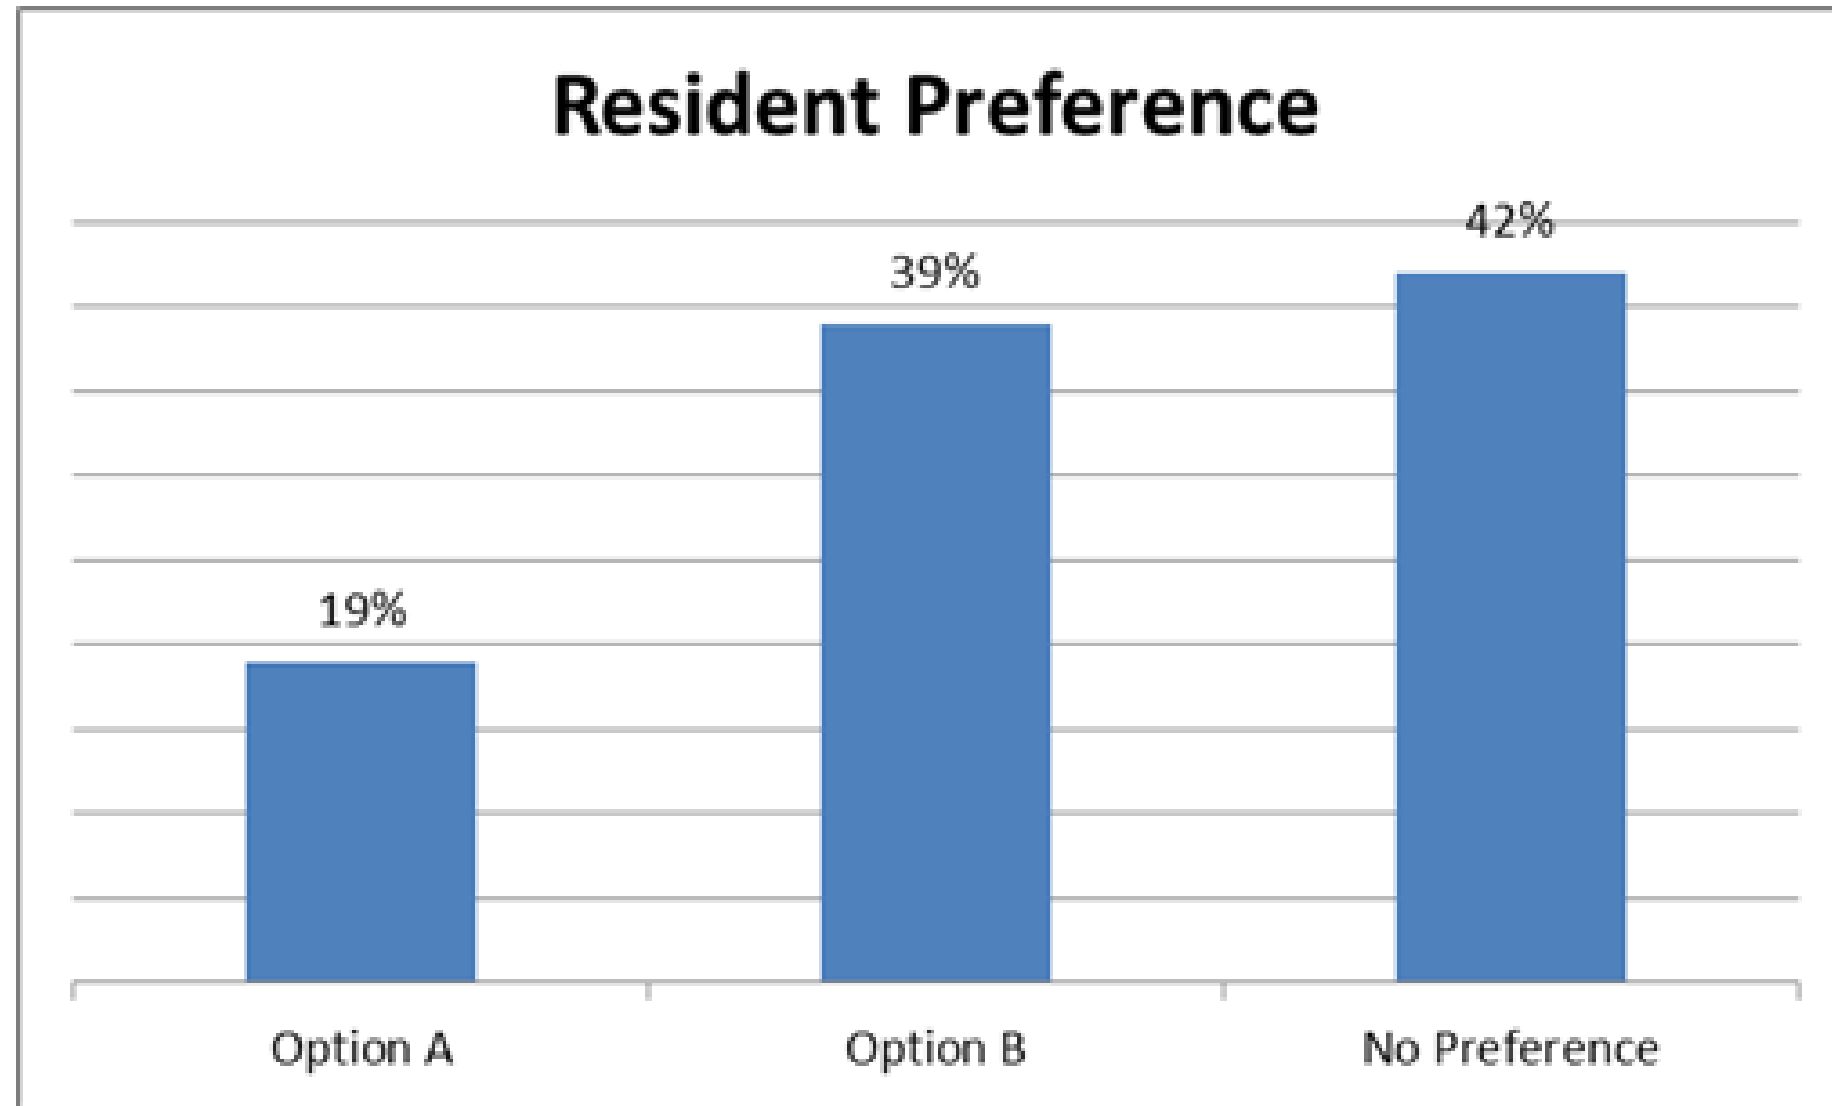

Option B

# Recommendation

## Option B: Curb Extensions with Flashing Beacons

# JCD North at Clover Bar Park

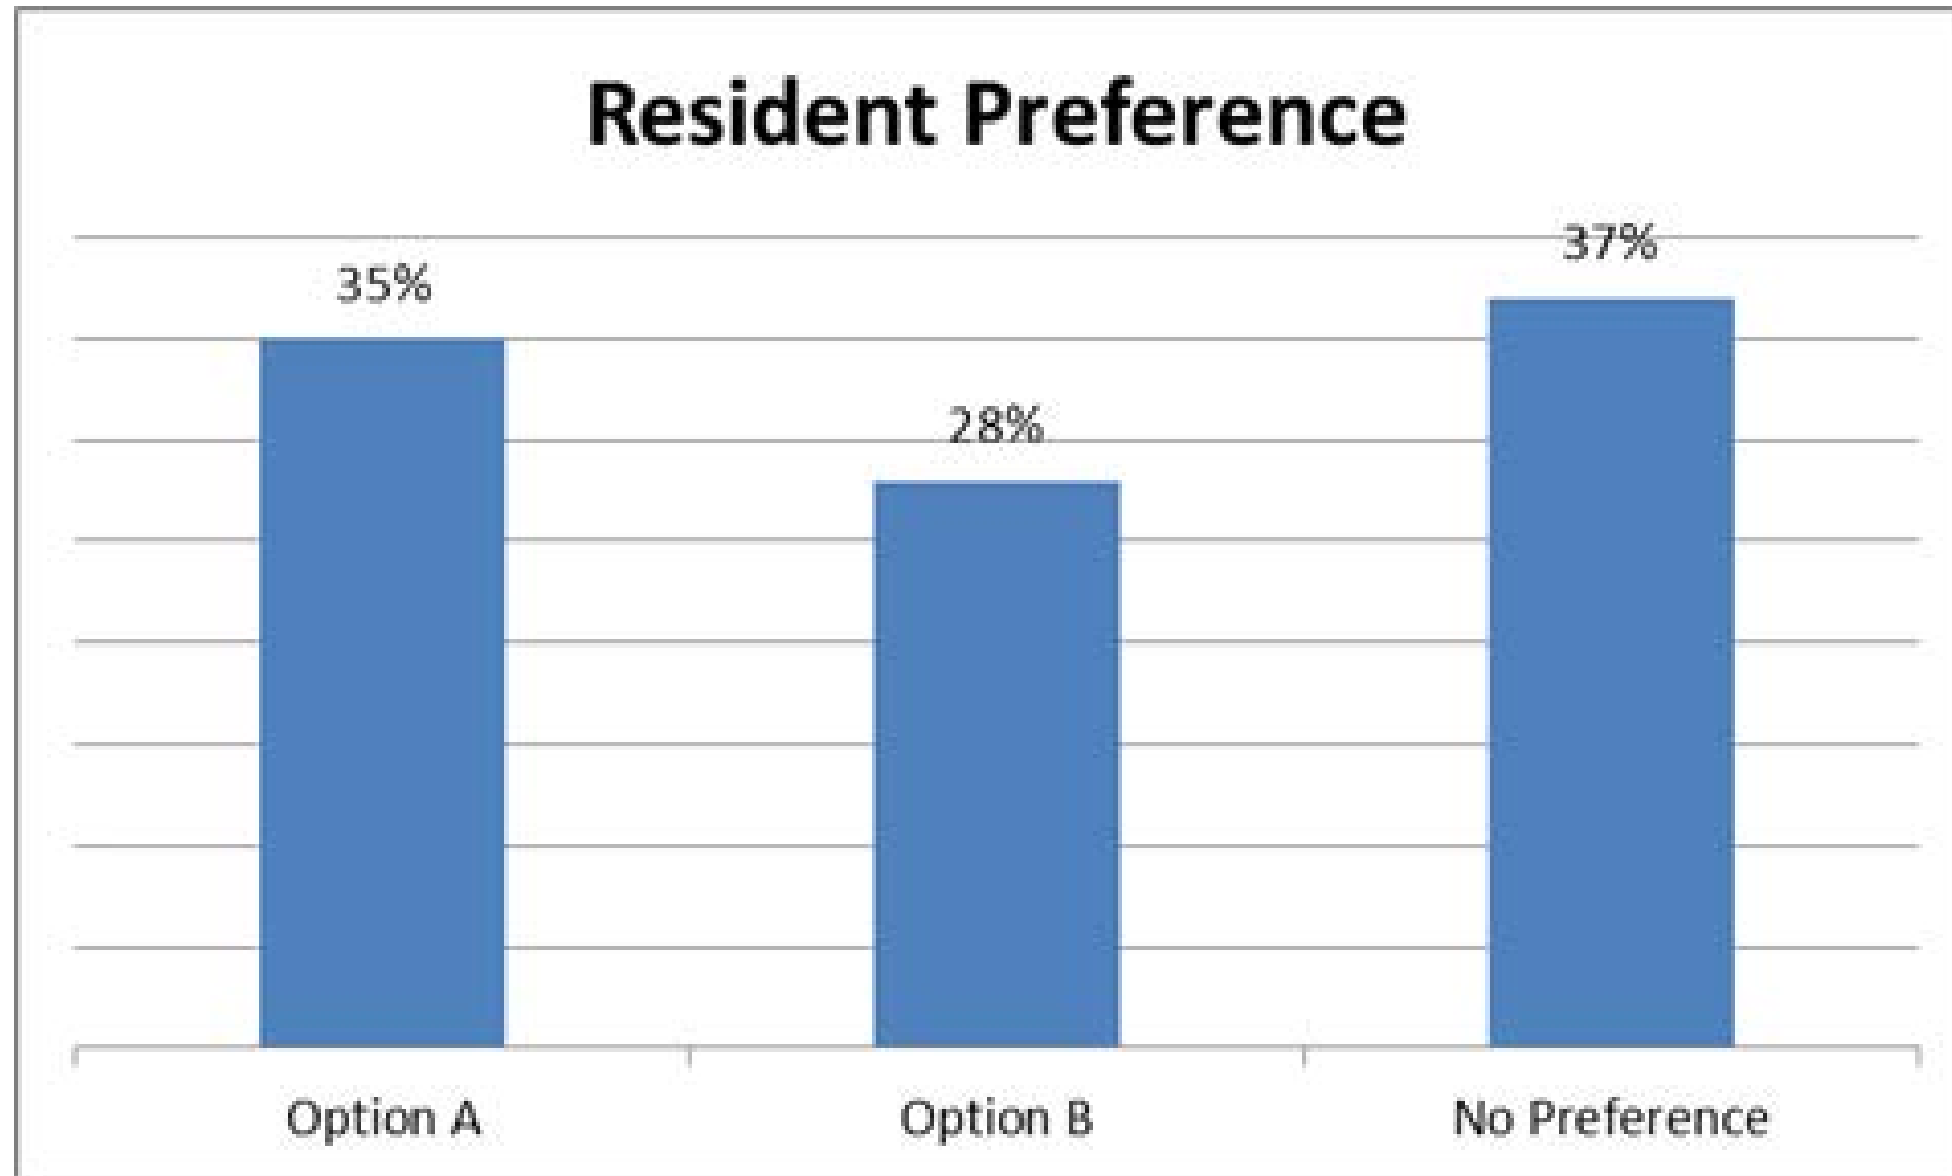

Option A

Option B

# Recommendation

## Option A: Curb Extensions Only

# JCD North at Trail Crossing near Crimson Drive

**Option A**

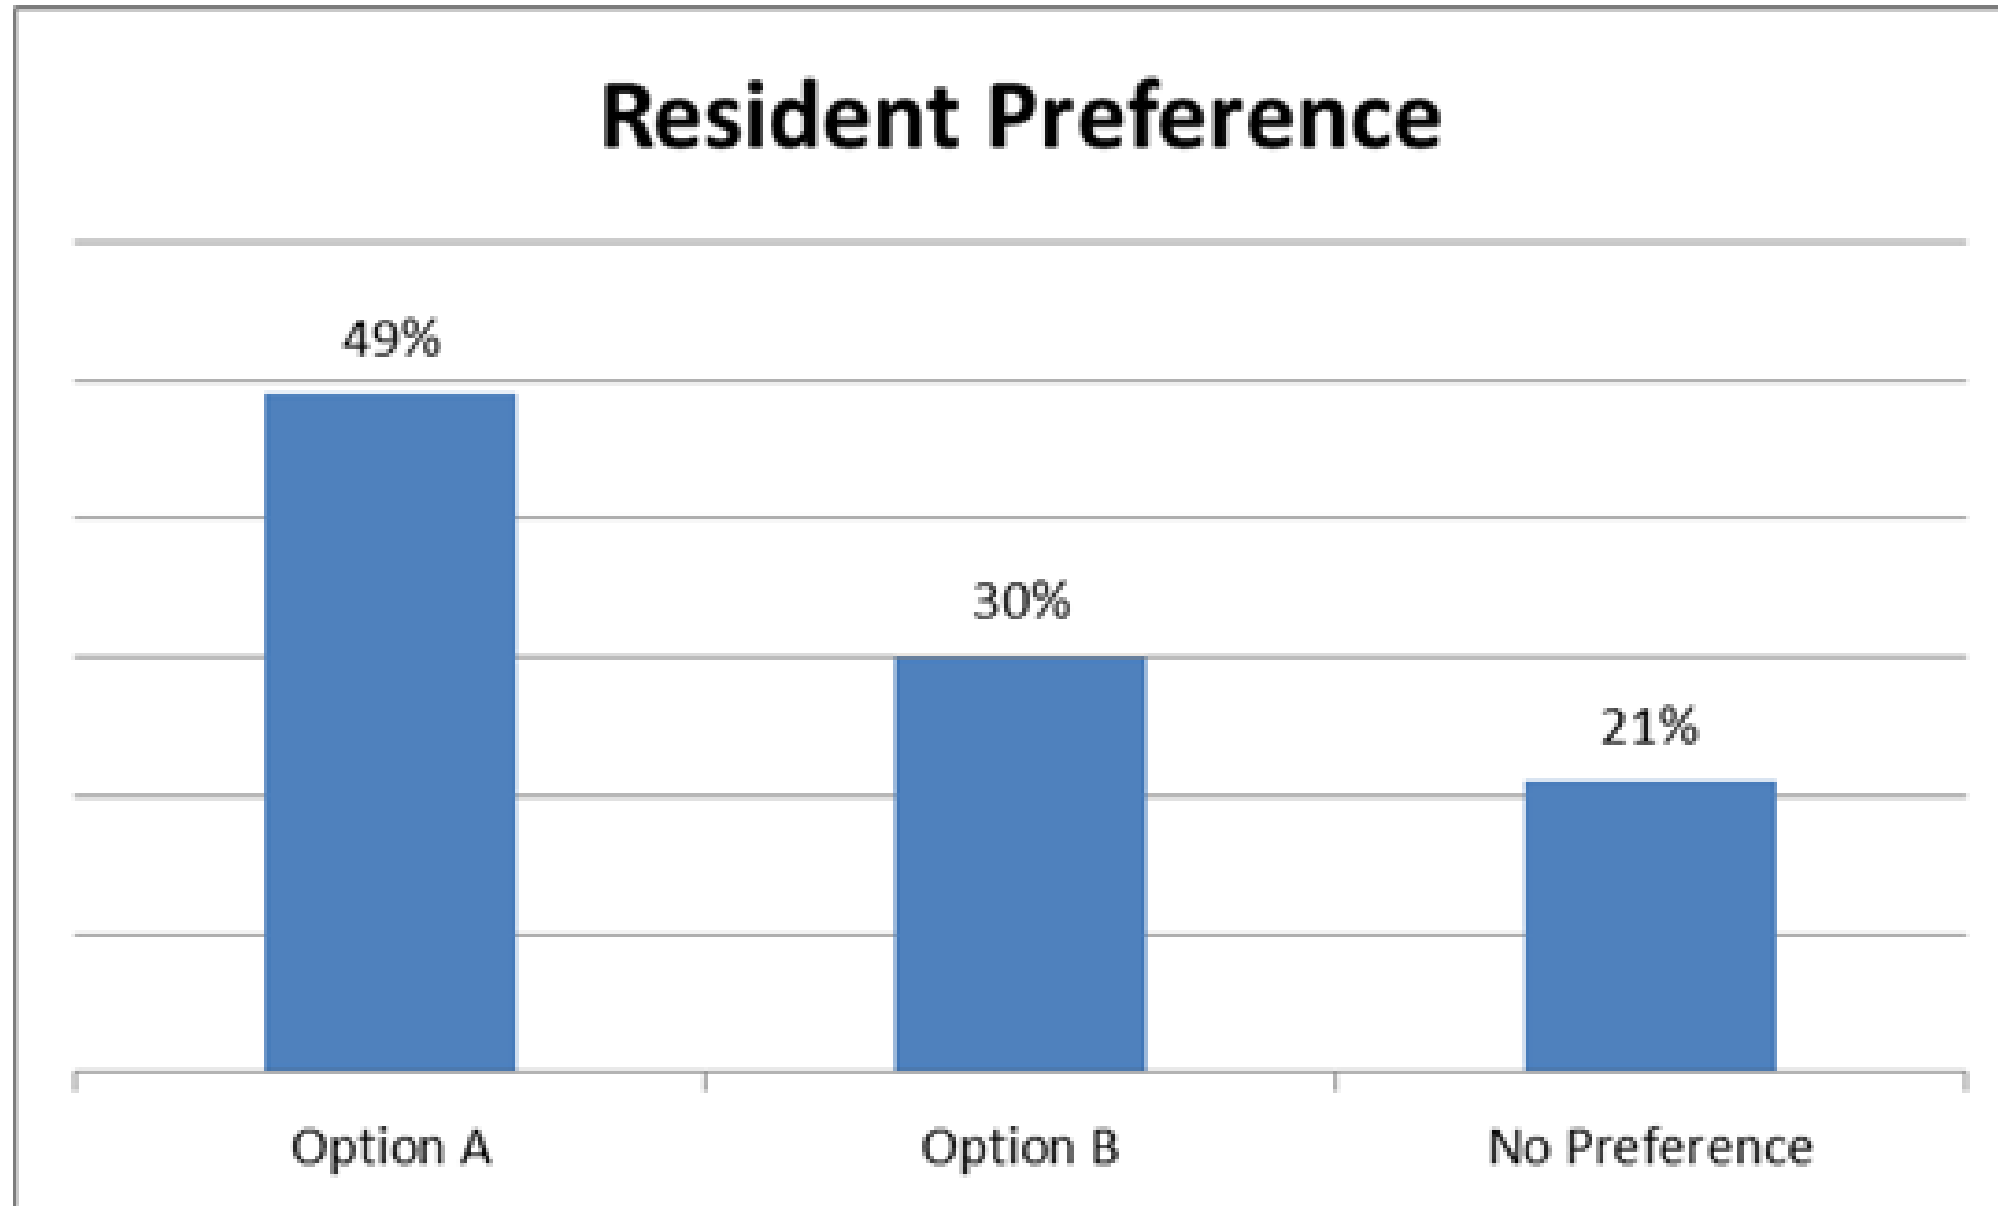

**Option B**

# Recommendation

## Option A: Do Nothing (*Paint Only*)
