Dear Counselor – Paul Smith,

4-H Canada is a not-for-profit organization that is focused on positive youth development experiences; but the fact is...*we are so much more than that*. 4-H is an organization committed to developing outstanding leaders with marketable skills to succeed in today's society.

Within the 4-H program one of the skill developments is a mandatory public speaking component. The public speaking component starts out at a club level, progresses to a district level and then onto a regional level. Lastly the regional winners will go on to compete at a Provincial level within 4-H. This year the Alberta Northwest Regional Council has chosen our Alberta 4-H Strathcona District to host its regional speaking competition and we are hoping you can help support our event with a monetary sponsorship donation. We have approximately 60 speakers coming, along with their cheering section, 18 judges and several volunteers. Attached is a list of our expenses.

Along with our fundraising efforts we rely on the generosity of sponsorship. This is a big event for the members and we would greatly appreciate if you could help us with a \$1,500.00 contribution. In return, Strathcona County will be acknowledged in our program and in our Facebook feed with a heartfelt thank you.

We sincerely appreciate every effort you can put forward and look forward to hearing from you.

Sincerely,

Strathcona 4-H District Council
