Re-Councilor Bonnie Riddell Priority Funds Request

Greetings Councilor Bonnie Riddell, Strathcona County Mayor Carr & Council,

Please may I ask that you consider granting our request for funding of our project to replace the roof on the bath house for Camp Van-Es. This building is used by all campers staying at Camp Van-es.

Camp Van-Es has been serving the local community for over 75 years.

The camp exists, primarily to support the summer camping program for children a Grade 1 to Grade 12.

Kids from all over Strathcona County & beyond, attend Camp Van-Es.

The camp regularly hosts many different organizations from Strathcona County.

From the Catholic School & Public schools system to Boy Scouts, Businesses of all manner, many churches, hockey pool parties, you name it & even at times Strathcona municipal government.

We are very fortunate; as our Camp has a long, successful & mutually beneficial relationship with Strathcona County.

We look forward to working together with Strathcona on this project for our bath house roof.

Warmest Regards,
