Summary

Following a presentation to the Capital Region Board on sponsorship options, Habitat for Humanity sent the same request to every Capital Region municipality asking for a \$7,500 contribution towards the Jimmy and Rosalynn Carter Work Project. The total of these contributions, if all municipalities agree to contribute, would make the Capital Region Board a Canada Level Sponsor.

Communication Plan

Following Council's decision, Mayor Carr will communicate the decision by letter to Habitat for Humanity on Council's behalf.
