Dear Mayor

RE: Capital Region Board Presentation by HFH Board Member Reg Milley

Habitat for Humanity Edmonton is very excited to be hosting former President Jimmy Carter and his lovely wife for the 34th Jimmy and Rosalynn Carter Work Project supporting Habitat for Humanity.

As per the presentation at the Capital Region Board Meeting on April 13th, it is our hope that each Mayor would consider supporting the event with a donation of \$7,500 which would become a cumulative total from the CRB serving as a legacy gift to the Carter Work Project.

The total raised would be recognized as a gift from CRB. The recognition for the total would result in the CRB board represented as a CANADA Sponsor with a great deal of benefits to participate in the build during the week of July 9th.

There is a need to have the commitments in place in the very near future to ensure Habitat can accommodate the spots on our build site as well to have all those participating are required to be officially credentialed.

This is a time sensitive matter and therefore we are asking for a commitment not the funds - the funds can follow by latest August 2017

If your municipality is happy to participate please fill out the form below and return a copy to Brenda Netter @ bnetter@hfh.org by the April 25th.

Yes our Municipality would like to support the 2017 Carter Work Project

Municipality _____ Mayor _____

I confirm our commitment of \$ _____ to be paid by August 31, 2017

Thanking you in advance for your consideration to be part of this wonderful initiative for Canada's 150th Anniversary.
