Strategic Plan Priority Areas

Economy: The Mature Neighbourhood Strategy supports efficient use of municipal infrastructure.

Governance: Phase 2 of the Mature Neighbourhood Strategy can improve public involvement in the project via a Task Force that includes Strathcona County citizens.

Social: The consultation conducted for Phase 2 of the Mature Neighbourhood Strategy has reflected the principle of Social Inclusion from the Social Sustainability Framework, by engaging community stakeholders interested in mature neighbourhoods.

Culture: Phase 2 of the Mature Neighbourhood Strategy seeks to create tools to assist in the preservation of the unique identity and heritage of mature neighbourhoods.

Environment: The Mature Neighbourhood Strategy supports the efficient use of land and protection of natural areas.

Other Impacts

Policy: Policy GOV-001-029: Organizational Roles and Responsibilities, identifies that Administration has a responsibility to identify and update Council of strategic priorities.

Legislative/Legal: The Capital Region Land Use Plan requires all municipalities to implement intensification strategies through policy in their MDP's. The MDP directs Administration to review opportunities for redevelopment and infill in the older areas of Sherwood Park.

Interdepartmental: The first phase of the Mature Neighbourhood Strategy included interdepartmental participation, including representatives from 14 County departments. The draft overlay has been referred to various departments for review and comment.

Summary

The Mature Neighbourhood Urban Form and Architectural Character Assessment was accepted by Council in March of 2015. Council then directed the Citizen's Task Force and Administration to proceed with the next step of Phase 2 of the Mature Neighbourhood Strategy, which includes work on a Mature Neighbourhood Overlay for the Land Use Bylaw.

The Citizen's Task Force and Administration have reviewed the Urban Form and Architectural Character Assessment, public consultation, as well as implementation strategies undertaken by other municipalities in order to complete the Mature Neighbourhood Overlay.

The purpose of the Mature Neighbourhood Overlay is to provide for development within mature neighbourhoods that respects and maintains the overall character of these areas. The neighbourhoods covered by the Overlay include Mills Haven, Glen Allan, Broadmoor Estates, Brentwood, Sherwood Heights, Maple Grove, Maplewood, Village on the Lake, Westboro, and Woodbridge Farms.

The Mature Neighbourhood Overlay provides additional regulations within the Land Use Bylaw above and beyond the underlying zoning district related to height, front and side setbacks, attached garages, site coverage, roof pitch, landscaping and architectural character.

The Land Use Bylaw is periodically amended by Council throughout the year for the purposes of zoning and text amendments; therefore, at any time Administration may bring the Mature Neighbourhood Overlay back to Council to consider changes if there are instances where modifications may be needed to the regulations in the Overlay.

Communication Plan

Administration, with assistance from the Task Force, held public meetings on April 27 and April 28, 2016. Three pop-up street stalls were held on March 30, April 11 and April 20, 2016. An online survey ran for two weeks from April 29 to May 15, 2016. A Public Engagement Summary was completed and posted on the County Website.
