

Elected Officials Business Expense Policy

Cross-reference: GOV-001-013 Elected Officials' Remuneration

Policy Statement

In order to address matters affecting Strathcona County, it is necessary for the County's Elected Officials (the Mayor and Councillors) to network, to meet with residents, and to support community, committee, regional, national and other events.

It is recognized that the official duties of the Elected Officials often occur outside regular work hours and take them away from family and personal responsibilities.

The Business Expense Policy is intended to provide clarity in determining what expenses will be covered by the municipality and what expenses are considered to be personal expenses. Events listed are for guidance only, and are not intended to be an exhaustive list of covered events. Expenses categorized as Public Relations, Professional Development or Out of Pocket are recoverable, subject to conditions set out below. Personal Expenses are not recoverable from the County. The Public Relations, Professional Development and Out of Pocket expenses for Elected Officials shall be paid from the individual operating budgets of the Elected Officials.

The reimbursement of expenses is guided by the following principles:

- Taxpayer dollars are to be used prudently and responsibly with a focus on accountability and transparency.
- Expenses for travel, meals and hospitality support County business objectives.
- Plans for travel, meals, accommodation and hospitality are necessary and economical with due regard for health and safety.
- Only legitimate authorized expenses incurred during the course of undertaking County business are reimbursed.

Purpose

The purpose of the public disclosure of Elected Officials business expenses is to enhance accountability and transparency through routine disclosure of information on expenses reimbursed to County Elected Officials and to enhance public confidence in the oversight of expenses incurred by County Elected Officials.

Elected Officials - Strathcona County's Mayor and Councillors.

Hospitality Event - an event or function where the provision of food, beverage, accommodations, transportation and other amenities are provided, at public expense, to people who are not engaged in work for Strathcona County.

County staff may be expected to attend a Resident Meeting where appropriate.

A Ward Goodwill Function may not be charged to a Public Relations Budget; any expenses for Ward Goodwill Functions shall be an Elected Official Personal Expense.

A Ward Open House is generally held at a County facility or within a facility in the Ward. County staff are not expected to attend a Ward Open House.

Working Session - a function where food, beverage, accommodation, transportation and other amenities are provided only for people who work for Strathcona County.
