Brief description of request

GGC-Sherwood Park District is looking to replace our very old tents and our camp supply boxes. At the moment we are fixing and patching 10 year old tents that have seen much better days. The tents are used by 32 units consisting of girls from 5-18 years old. With the huge increase in units and members we also need more stoves, pots and pans to ensure all groups wanting to go camping can.

Through the Scout store, we have the opportunity to purchase very good quality tents at a discounted price of \$280. We would like to get 20 tents, which would allow multiple units to go camping at the same time. We will also get extra poles for repairs.

We work hard to maintain our equipment but its time to retire the old and bring in the new.

November 9, 2017

On behalf of the 450 girl members and 100 adult members of Girl Guides of Canada-Guides du Canada, I would like to present our application for Priority funds. We are looking to replace the tents that our units use to go camping multiple times a year. Currently our tents are 10 plus years old and although have been kept in good repair it is time to replace them.

Also, because our numbers continue to rise we are looking to add to our supply of camp boxes. These boxes contain everything a group of 6 needs to cook at camp, from a camp stove, to pots and pans to flippers and dishes. These boxes go out with each patrol and are used extensively throughout the camping season.

Sherwood Park District covers a large area of Strathcona County. We have units that meet in Ardrossan, Sherwood Park, Fort Saskatchewan, and South Cooking Lake, and pull girls from all areas in between.

I would like to thank you for any support you are able to provide. Any little bit helps and reduces the costs for our members to take part in events.

If you have any further questions you can reach me at the number below or Dawn Buettner, at 780-416-2414 as the contact in Sherwood Park.

Thank you for your consideration.
