

Notice of Motion

Renaming a Portion of Oak Street

At the March 27, 2018 Council meeting, I will move:

THAT Administration prepare a report on the process to rename the portion of "Oak Street," located west and north of Sherwood Drive, to "Victor Bidzinski Way;" and that the report include information on how affected stakeholders will be engaged as well as the estimated costs for signage and required address changes; and that this report be brought to Council for consideration by the end of the second quarter of 2018.
