

Attention: Strathcona County Council

November 27, 2017

Dear Members of Council:

Re: Assessment Roll # 2322308004

We, on behalf of the Gobind Marg Charitable Trust Association, write to request cancellation of taxes and accrued penalties for 2016 under section 347 of the Municipal Government Act. We have applied for, and been granted the property tax exemption for 2017 and 2018 under section 362 of the Act, as the property in question is used chiefly for the purpose of religious assembly and education. However, we have been advised that the Municipal Assessor may only correct the assessment roll for the current year, and that cancellation or refund of any prior years may only be granted by Council.

The property has been chiefly used for religious assembly and education since October, 2015, and the Association would have been entitled to the exemption from property taxes throughout 2016. We respectfully request that Council cancel the 2016 taxes and any applicable penalties, and we submit that it would be fair and equitable to do so. This is to request the cancellation of 2016 taxes only as levy of local improvements are paid.

Thank you for your consideration of our request.

Warm Regards
