STRATEGIC INITIATIVE AND UPDATE**Crimson Drive Traffic Safety and Calming Review****Report Purpose**

To provide Priorities Committee with an update on traffic calming measures for Crimson Drive.

Council History

September 5, 2017 – Administration was directed to prepare a report to Council with recommendations for traffic calming measures for Crimson Drive to be brought back Q1 of 2018.

Strategic Plan Priority Areas

Economy: Traffic calming options have been developed and will be completed with future rehabilitation projects, subject to Council approval.

Governance: Public engagement, including public open houses and workshops has been conducted to develop traffic calming options.

Social: Traffic calming initiatives will improve quality of life by providing traffic safety for all road users.

Culture: n/a

Environment: A reduction in traffic volumes will reduce traffic noise and improve air quality by reducing gas emissions.

Other Impacts

Policy: SER-009-040 Traffic Calming Policy, SER-009-017 Traffic Control Devices

Legislative/Legal: n/a

Interdepartmental: RCMP and Enforcement Services, Transit, Emergency Services

Summary

This report contains a detailed road safety review for Crimson Drive from Baseline Road to Clover Bar Road. The report includes a review of traffic operations, traffic volume, vehicle speeds, collision history, and travel times. The report discusses key points and considers ongoing and potential strategies to address driver behaviour issues along the corridor.
