Brief description of request

The Antler Lake Uncas Community League has had several requests from seniors and people with disabilities to provide seating that is easier for them to get in and out of as well as are padded for their comfort. Uline has offered to give us a discount on purchasing chairs that have padding and arms, are stackable for better storage and are made of vinyl so are easy to clean and maintain.

Dear Councillor Lawrence,

On behalf of the Antler Lake Uncas Community League (the ALUCL), I wish to apply for Council Priority Funds in the amount of \$1980.02. As you may know, the current incarnation of the ALUCL has been functioning since 2014. During this time the ALUCL has been growing its membership (currently at 42 members) and increasing the quantity (and quality) of events we can organize to benefit the community.

As our membership and event attendance has grown, there has been an increasing number of requests from the many seniors and people with disabilities in our area to provide more suitable chairs. We currently have folding chairs with no padding or arms; the lack of arms makes it extremely difficult for some of our community members to sit and rise and the lack of padding is very uncomfortable for them.

To that end, I am applying for funding to purchase twenty chairs with arms and vinyl padding. I have been offered a discount from Uline due to our non-profit status and they are a reliable company with reliable products. These chairs are stackable for better storage and will more than adequately meet the needs of the seniors and people with disabilities that have requested them.

Thank you for your time in reviewing this request.

Sincerely,
