Summary

Order in Council (761/95) established Strathcona County as a specialized municipality and defined the Urban Service Area (USA) and Rural Service Area (RSA) as amended by Bylaws 15-2016 and 20-2016. The Matters Relating to Assessment and Taxation Regulation (203/2017) specifies that farm properties in the USA are to be assessed and taxed in the same manner as urban municipalities.

For the 2018 tax year there will be 51 farm properties in the USA that have a farm residence and/or farm buildings. Unless section 347 of the *Municipal Government Act (MGA)* is used to cancel taxes as recommended, all 51 properties will experience an increase in their 2018 property taxes and an inequitable level of taxation compared to similar properties in the RSA.
