Cat Bylaw

THAT Administration provide a report, by the end of Q3 2018, on the implications of a possible cat bylaw, the report to include information on the experiences of other municipalities in implementing such bylaws.

Background

To ensure that all members of Council have access to the same information, Administration should return to Council by the end of Q3 with a report on the feasibility of a Strathcona County cat bylaw, including costs, enforcement logistics, and extensive recommendations based upon experiences in other municipalities. This research should focus on both rural and urban logistics.
