**Summary**

Bylaws 12-2018 and 4-2018 are being brought forward to Council concurrently as they are closely related. The purpose of this Bylaw 12-2018 is to address minor clerical items throughout MDP Bylaw 20-2017 such as additional commas or capitalizations. Though these amendments were drafted prior to the adoption of MDP Bylaw 20-2017 it was determined that the most appropriate process would be to bring them back to Council at a later date, following the adoption of the MDP.

Due to the challenge of describing clerical amendments, including those related to formatting, the bylaw has been drafted to replace a portion of the MDP with a clean version. Enclosure 2 contains a markup which displays the clerical amendments in detail.
