469th Glen Allan

Robert Bowen - Group Commissioner 390 Meadowview Terrace, Sherwood Park, AB. T8H 1X6

June 7th, 2018

Stathcona County Mayor & Councillors Attn: Mr. Dave Anderson 2001 Sherwood Drive Sherwood Park, AB T8A 3W7

Dear Councillor Anderson,

169th Glen Allan Scout Group <u>Reguest for Priority Spending Support</u>

This letter is offered in support of our request for funding assistance in a project our Scout Group is undertaking to replace our badly worn and outdated race track systems.

As you may be aware, for two months each year as part of our formal STEM program, our Scouts design, build to specification, and then race Beaver Buggies, Kub Kars and Scout trucks as an educational, fun and creative activity. Additionally, the 169th hosts hundreds of Scouts from around the Beaver Hills area for a fun regional Scout Vehicle Rally held in the Agora at County Hall. With all this use, the wear and tear on our tracks has taken its toll to the point where we can no longer repair them. They must be replaced.

We hope to undertake this project in the Fall of 2018, so the new track system will be available for use by the Scouts in January 2019. As Scouts we try to be self-reliant and offer help rather than request it. But this is an exceptional expense and an exceptional time in our operations, and it simply cannot be put off any longer. We hope you can see your way to supporting our Group and the many Scouting youth who will enjoy the benefits of this program equipment.

Finally, I attach our Group's budget for this project to aid in your decision-making.

Should you have any questions or concerns, please feel free to contact me personally at my number or e-mail address offered below.
