35-2018	Information	SMITH Paul	Fires in Grazing Areas	What are the current plans, training, and controls in place to deal with fence etiquette?	Emergency Services		An email was provided to Council with the response to this request. Please see attached.	2018/06/19	2018/07/04	2018/06/28	Complete
36-2018	Information	SMITH Paul	Livestock Grazing	Has the County any current plans to foster intensive livestock grazing as a fire smart tool in problem areas of the Heartland?	Transportation and Agriculture Services	Emergency Services	The use of livestock as a targeted vegetation control tool to reduce fire loads in sensitive areas has been implemented for many years. The Heartland area would be an appropriate location to use livestock as a Fire Smart tool. This request will be forwarded to the Agricultural Service Board to examine and discuss ways to encourage the use of livestock.	2018/06/19	2018/07/04	2018/07/05	Complete
