Attention: Office of the Elected Officials

The Antler Lake Uncas Community League wishes to apply for \$350.00 from the Council Priority Fund to provide for our local residence and the surrounding area a Remembrance Day Service followed by some light refreshments.

We performed such a service last year with great success, 109 people attended with only three weeks to organise and advertise. We had the full service including bag pipes, bugler, cenotaph, wreath laying and honour guards performed by the Girl Guards and Boy Scouts. You can refer to our Facebook page to see the photos from the service.

This year the same Executive wishes to provide the service again but with the addition of some light refreshments. As detailed in the information section of the application form, a cake will also be provided decorated with the Canadian flag and the inscription "Remembrance Day 100 Year Anniversary, Lest We Forget".

The service last year was started for the purpose of providing a closer and less crowded location for our senior citizens who wished to remember the sacrifice of our fallen. This it achieved and then some. Making this an annual event is now the goal and your support would be much appreciated.

A budget was presented at the August general meeting, and it was voted on and accepted that a budget of \$350.00 be allocated for the service. As the minutes have yet to be published of our last meeting, the President Leah Hamonic can be contacted for verification.

Regards
