Near to the shining water

Close by the sandy shore

Resting in sleep eternal

Lie those who have gone before

Hard were their lives and weary

In those early days of the west

Surveyors and trappers and farmers

And women who worked without rest

Small graves are there too, among them

Where peacefully they lie

While the seasons change above them

And the Old Log Church stands by.

ST. MARGARET'S CHURCH

St. Margaret's Roman Catholic Church was built in 1912 as one of the earliest missions in the area. The land for the church was donated by Mr. Peter Hourston and Mrs. Margaret Rowland Hourston. The building was originally a log and plaster structure and in the early 1930's it was added onto and a new roof and chimney were built. Today there is an interior museum window allows visitors to have a look at the old original logs.

The Most Rev. Emile Legal, Archbishop of Edmonton officially welcomed St. Marguerite's on June 1st, 1915 as a Roman Catholic Church. The first mass was celebrated June 20th that same year by Father Beaudry. It remained an active Catholic Church until 1952 when services were moved to St. Jude's Church in Ministik on Highway 14, which has since closed.

The cemetery is a resting place for many Metis, pioneers and local residents of the area. Many of the graves were unmarked but the oldest known records to date are based on the information provided by the late Eliza Ward in 1968 and GPR research completed in 2004.

The chain linked fence cemetery land has been donated by Mr. William L. Edwards in 1983. The cemetery land, together with the church grounds, have had a locked metal gate since 1988 to provide a more secure site. The cemetery is still in active use and the Society has a cemetery policy in place.

THE FRIENDS OF DEVILLE/ ST. MARGARET'S SOCIETY

The Friends of Deville/St. Margaret's Society have been involved as the advocate of the church and cemetery site since the fall of 1996. Registered in 1997, it is dedicated to preserve, protect and enhance the cultural, spiritual and community values of this Provincial designated historic site. In 2013 the St. Margaret's Church was designated as a Strathcona County Municipal Historic Resource.

Restorations of the site have been funded through Provincial and County financial support. The Metis Nation of Alberta is the owner of the property and has a legal agreement with The Friends of Deville/St. Margaret's Society. Many volunteers take care of the maintenance and cemetery.

EVENTS & RENTALS

The Society holds events celebrating this historic site. Annually in August there is special mass held. The Church and grounds are also available for weddings and family events. Donated church memorabilia are stored off site for security but are available for use for events.
