

Attention Strathcona County Council

July 5, 2018

Dear members of Council:

Re: Assessment Roll# 8206005166 & 8206005109

As the property owner, Ropie Holdings Ltd. and the tenant, City Church for All Nations we are requesting the cancellation and refund of property taxes paid for 2017 under section 347 of the Municipal Government Act. We have applied for, and been granted property tax exemption for 2018 under section 362 of the MGA as the property in question is used chiefly for the purpose of religious assembly. We have been advised that the assessor cannot correct the previous year's assessment, and that cancelation and/or refund of any prior years may only be granted by council.

The property has been chiefly used for religious assembly and education since December 1, 2016. As such the property would have been exempt from taxation for the 2017 tax year. We respectfully request that Council cancel and refund the 2017 taxes, as it would be fair and equitable to do so.

Thank You for your consideration of this request.

Sincerely

Ropie Holdings Ltd. -----(Royce Boskers)

City Church For All Nations (Onesime Kubanay)
