STRATEGIC INITIATIVE AND UPDATE

2019 Strategic Planning Session

Report Purpose

To provide the Priorities Committee with the proposed agenda for the January 30, 2019 Strategic Planning session and receive feedback.

Our Prioritized Strategic Goals

Goal 1 - Build strong communities to support the diverse needs of residents

Goal 2 - Manage, invest and plan for sustainable municipal infrastructure

Goal 3 - Cultivate economic diversification, within the petro-chemical industry and beyond, through a business-friendly environment

Report

On an annual basis Council reviews and refines the strategic plan in consideration of existing and evolving conditions in the community. The next opportunity to look at the strategic plan is on January 30, 2019.

The proposed agenda provides social, political, environment and economic updates and a review of the strategic plan in one day.
