Strathcona County  
**LIBRARY**

The events of  
November 6 left us  
without a home and  
without access to our  
collections.

But not for long ...

Bookmobile service  
continued without  
a hitch ...

# **Library open in Proshop**

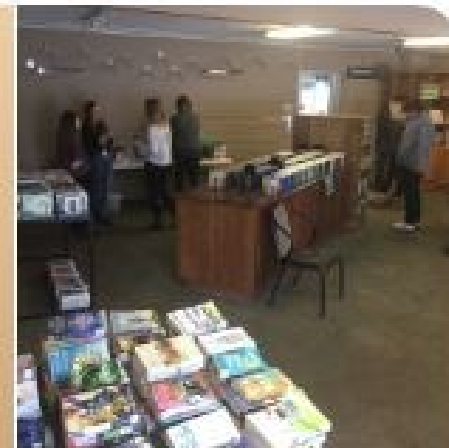

The amazing folks at Recreation, Parks & Culture offered us the proshop space at the Broadmoor Golf Course, which we could use as a temporary library.

We opened the  
doors on the  
afternoon of  
November 10.

Patrons started to find their way back to us right away. Some of them even brought snacks!

Our families pitched in, local organizations offered space, and shipments came to a staff member's house.

And the  
restoration  
of the library  
in the  
Community  
Centre also got  
underway.

Restoration  
work  
continued  
at the  
Community  
Centre library.

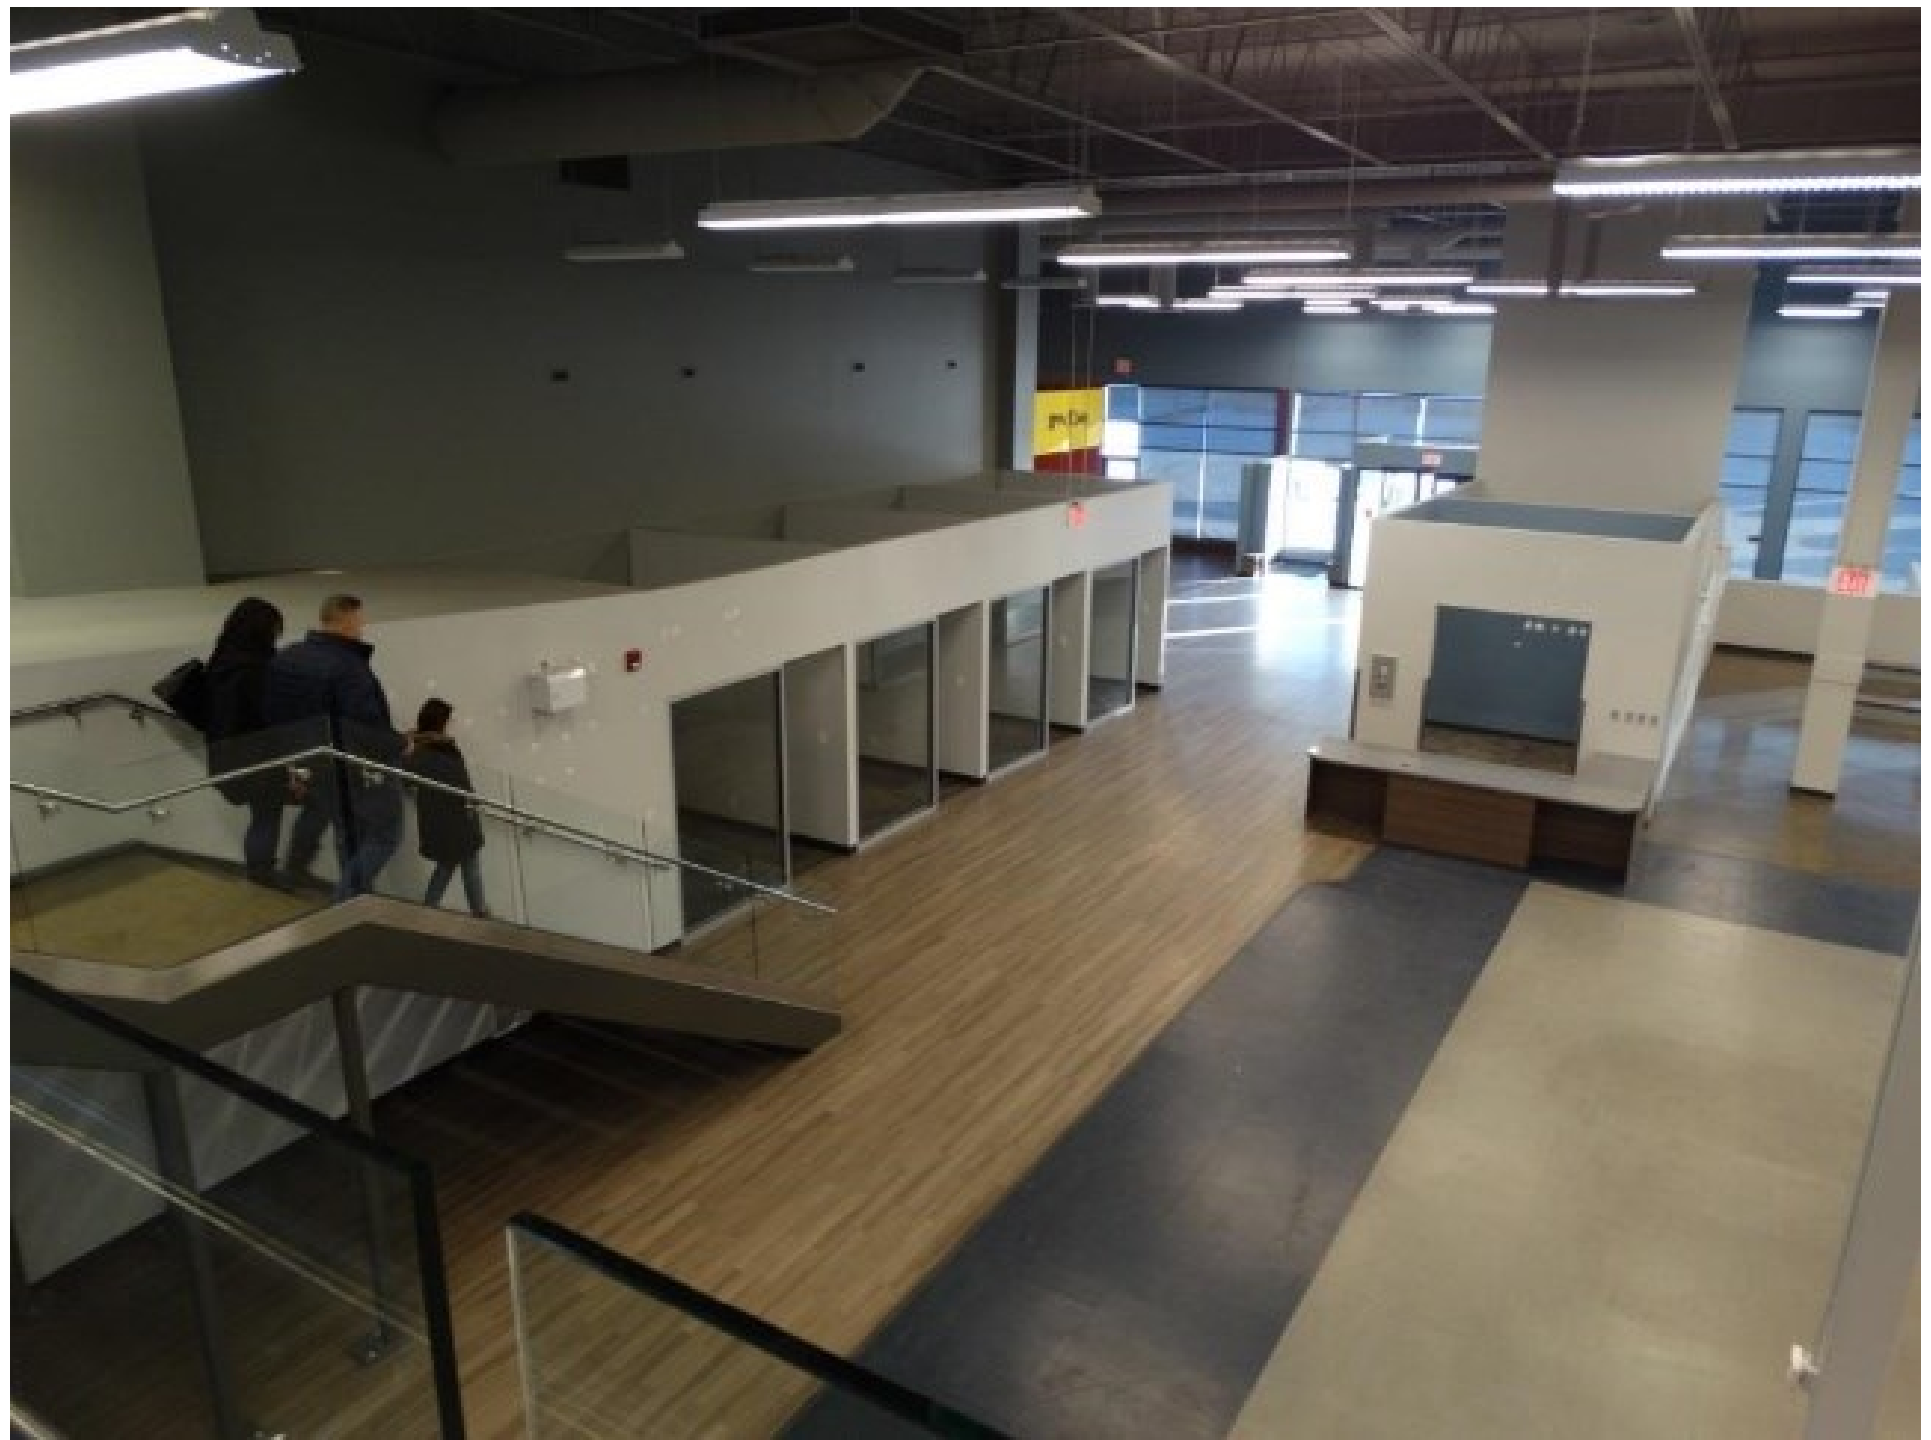

As it was cleaned, everything  
was wrapped under plastic.

And we found the  
perfect next space.

Edmonton  
Public Library  
generously  
loaned us all  
kinds of  
shelving and  
equipment.

BOOK SALE

Once everything was set up, staff started filling the shelves.

Finally  
everything was  
ready.

And we opened  
the doors on  
the morning of  
December 10.

STAFF ONLY

Lots of  
carpet ...

One of the last steps was replacing carpet on the main floor.

And now, we're nearing the end of this particular chapter in the Library's life story.

The temporary library will close at 9 pm  
on Tuesday, April 30.

The Bookmobile will continue to  
run on its regular schedule.

And we'll re-open the doors of the  
Community Centre Library at 9:30 am  
on Wednesday, May 8.

Strathcona County,  
thank you so much for your support.

Every kind word, every gesture, every hug has  
meant so much to us.

And we can't wait  
to welcome you home.
