

Canadian Municipal Network on Crime Prevention (CMNCP)

Council Meeting
May 21, 2019

Canadian Municipal Network on Crime Prevention (CMNCP)

- Prevent and reduce crime and improve community safety and well-being
- In 2018, represented over 40% of the Canadian population

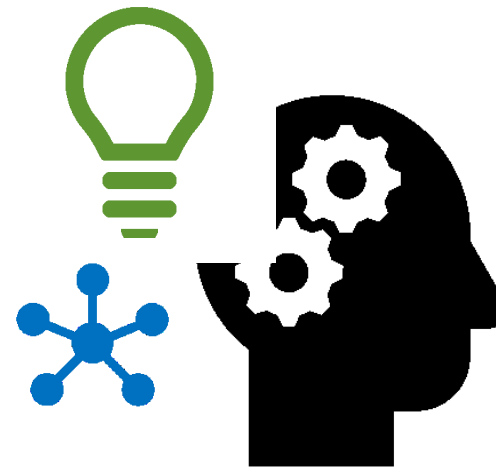

Strategic Alignment

ENGAGEMENT

Identified safety as the second most desired outcome

SOCIAL FRAMEWORK

Address root causes of social challenges and benefits of early intervention

COMMUNITY OUTCOME

Canada's most liveable community

Membership Highlights

- Access to solid networking capacity
- Insights into national and international trends
- Evidence-based programs and practices
- Designation of a representative
 - Face to face annual meeting
 - Communication by conference call every two months
- Annual membership dues (approx. \$600)

THANK YOU
