Legal Opinion – Change of Bremner Status

THAT by April 30, 2019, Administration provide a legal opinion to Council on the steps that would need to be taken and any potential liability risks with respect to amending County Council's decision on the selection of the Bremner area as the County's next growth node.

**Background**

Mayor Rod Frank provided notice at the March 26, 2019 Council Meeting.

A legitimate and good question has been raised as to whether liability risks would arise if council reconsidered its decision on the Bremner area as the next growth node. It would be sound governance and prudent for council to know of any potential risks in advance.
