Strathcona County Council Priority Funds Request

February 21, 2019

Dear Strathcona County Council.

On behalf of the 203 Sherwood Park Scout Group, I would like to request your support in purchasing equipment to facilitate positive, successful outdoor adventures for our youth participants aged 5 to 25 years old.

Our programming focuses on youth led outdoor and leadership adventures for youth in Strathcona County. All activities are planned, experienced and reviewed by youth with support from their adult Scouters. This allows youth to grow as leaders and experience adventures they would not otherwise be able to experience.

Our group has doubled over the past couple years to 60 youth. As our group has grown, our equipment has aged as well. With growth has also meant increased costs for adventures, actions and camps; and a stretch of our fundraising dollar.

The purchase of 14 tents and a stove with cooking equipment, will allow youth to be able to plan more all weather adventures and have safe equipment to use.

Thank you in advance for your consideration,

David
