[81,785.00]

Amount Requested through
Council Priority Fund \$1,785.00

August 2, 2019

Re: Collingwood Cove Family Picnic
To Whom It May Concern:

Every year, the residents & neighbours of Collingwood Cove gather to celebrate summer & our community at our annual "Collingwood Cove Family Picnic". In the past 50-100 people have attended the event.

The picnic commences at our mailboxes with a bike parade through our community. 1st, 2nd & 3rd prize is awarded to best decorated bikes and ^{all} kids with decorated bikes get a loot bag for participating. The parade ends at our park where the afternoon events take place.

This year we are planning for a bouncy castle, Nerf Gun War Fight, Bookmobile activities, popcorn machine & a table of snacks. The kids also love playing in the park. A petting zoo or horse rides have yet to be confirmed but have been included in our budget.

The afternoon activities wrap up with a Potluck BBQ where meat & major items will be provided. Attendees will be asked to bring an item to share potluck style. The event will wrap up with an Ice Cream Bar for dessert.

We plan on advertising our event at our mailboxes, pamphlet handouts for all residents & pamphlets will be placed at our local country stores & Bookmobile. Facebook posts will also be made as well as perhaps some ^{additional} on-line locations.

We appreciate the County's support in helping us with this event as in the past residents have been reluctant to organize such an event as noone wants to incur the costs associated with it. However, with so many young families living in the Cove, there is tonnes of support for such community initiatives.

Thanks again for your Support!

Regards,

Erin Montgomery
