

Councillor Request Inquiry

#28-2019

2019

Please provide the collision data for the last 10 years for the intersection at Kaska Road and Chippewa Road (Hughes corner).

Good morning Council,

The information provided below is for the Information Request (IR), Collision Data for Kaska Road and Chippewa Road as requested at the July 16, 2019 Priorities Committee Meeting.

Should you wish to discuss this matter further, you may contact Kevin Cole, Director at 780-400-3881 or kevin.cole@strathcona.ca.

Thank you.

Claudene Boreen

Assistant to the Director

Transportation Planning and Engineering

Please find below requested collision history information for the intersection of Kaska Road with Chippewa Road provided by Transportation Planning and Engineering (TPE).

Collision History - Chippewa Road at Kaska Road (north)
10 year history January 2009 - May 2019
28

In addition to the crashes associated with the intersection at Kaska Road, attached are collision location maps to highlight and visualize the cause and severity of those collisions.

The number of recorded collisions were only one of the considerations in this process.

Please advise if any further information is required related to the analysis undertaken in the decision that an all-way stop was warranted for this intersection.
