Brief description of request

Ardrossan Elementary Football Parents Association is a parent volunteer group that provides direction, management and fund raising for the Ardrossan High School football team. Every year an awards banquet is held to recognize our players, cheerleaders and volunteer coaches and trainers. We are requesting support to assist with the cost of the banquet and player and volunteer recognition.

Ardrossan Amateur Football Parents Association is a parent volunteer group that provides direction and management for the Ardrossan High School Bisons football team. The executive consists of 10 parents who collectively contribute hundreds of volunteer hours meeting to plan and execute activities such as fund raising events, managing equipment inventory and cleaning, website maintenance, registration, accounting and financial management and team development activities.

The team consists of 30 to 40 high school boys and girls. Our coach and trainer staff are all volunteers. The six coaches and three trainers contribute over 1,150 volunteer hours during spring camp and regular season practices and games. It is through these efforts that our athletes learn the technical skills as well as leadership, respect, cooperation and community involvement. Our Ardrossan Bisons are huge hit at the annual Ardrossan Parade and Picnic delighting the parade watchers with their water guns! The players also mentor other students at school events such as reading to elementary students during Read-In week. Approximately 55 volunteer hours are also contributed at home games for timing, announcing, spotting and sticks.

Every year an awards banquet is held to recognize our players, coaches and the cheerleaders that is organized by volunteers (approximately 20 hours). In 2015 the team won the Tier VI Provincial Championship and in 2018 they won their Gilfillan Division in the Metro Edmonton High School Athletics league! Players, coaches, cheerleaders and family attend a mix of catered and pot luck banquet. Players are recognized for their personal achievements and contributions to the team, school community and community at large. It is the culmination of the season and aligns with the county's strategic priority of a healthy and active community. The event is promoted in the school's Daily Bulletin and monthly newsletter and approximately 125 people attend the banquet.

Yours truly,
