Office of the Elected Officials

Strathcona County

To Whom it May Concern:

In 2019 WICS applied for and received Priority Funding to hold inclusive events in Strathcona County.

These events have been extremely successful and have shown a strong need for more inclusive social activities in our community.

The biggest obstacle many people face, including persons living with a developmental disability, is social isolation.

I would like to again apply for Priority Funding to hold four more events in 2020. The events would be held in a local establishment, once every three months.

These events have been attended by persons living with developmental disabilities, seniors, young adults, business owners and persons of all different ethnicities. The feedback we have received has all been extremely positive.

These events have shown a significant need for people of all walks of life to engage in social interaction with other members of their community.

Thank you so much
