Councillor Glen Lawrence – Ward 7

RE: Funding for Community Event at Fultonvale School

Dear Councillor Lawrence,

I am writing you today to request funding for, what will hopefully become, an annual tradition held at Fultonvale School. We are in the early stages of planning a Community event to take place on Saturday, April 18th from 1pm – 4pm in the school. The afternoon will include games, activities, crafts, food and friendly competition between the adults and youth who attend. We will also have Asma Ammouneh, our County Mental Health Capacity Builder, in attendance to hand out resources and talk to caregivers.

The purpose of the upcoming event is to create an opportunity for families in the community to get together and get to know each other. Living in a rural community has many perks, but one downside is the lack of community events that are held out in the country. We are able to drive to town to partake in all sorts of activities, which is wonderful, but it is difficult to bond as a rural community in such cases. With the merging of Colchester and Ministick Schools into Fultonvale over the past few years, it has sometimes been a struggle for families to get to know one another organically. I am hoping that this event will be a fun way for all families to be included, and to bond as one cohesive community.

As with most fun events, there is a cost associated. We are hoping to make this a free event for all who attend to make it accessible to all members of the community, regardless of economic status. We want to encourage and afford as many families as possible to be able to take part. We are requesting \$2000 to cover all costs associated with the event. Please see the attached proposed budget for details.

I would like to thank you in advance for considering this request to utilize some of your Council Priority Funds to help create a fun event to bring our community members together. Your invitation will be sent to you sometime in March. :)

Your continued work in Ward 7 is much appreciated.

Sincerely,

Ginger Hassett-Koza
FTV School Council Chair
