City or town: Sherwood Park, Province: AB, Postal code: T8E 1G5

Contact person: Richard Normandeau

Telephone: 780-922-6947

Email address (optional): m_rnormandeau@yahoo.ca

Project Type: ☑ Project

Amount Requested: $10,000

Brief description of request:

The rural area of Half Moon Lake has experienced vandalism, break-ins, and public trespassing through the Hamlet into the local Resort. In an effort to stop this from happening and work with local RCMP to capture these criminals, the Half Moon Lake Residents Association will develop a Project as part of its neighborhood watch program to install security cameras. There will be a total of 8 cameras installed at four (4) locations. The cameras will be installed on Residents Properties adjacent to the street and will have the technical ability to capture vehicle license plates even at night. Our plan will be to coordinate this project with Gord Johnston the Associate Commissioner of Community Services and the RCMP to collaborate on how data can be used. The current Project Budget for this excluding community labor for installation is $20,590. The Residents Association will pay for the power to operate these systems going forward. The ask represents just under half of the value of the installation. The Residents Association will cover the remaining portion of the installation of this Project.

Subject: Half Moon Lake Residents Association
         Council Priority Funds Application
         Community Security Camera Installation

The Half Moon Lake Residents Association is a non-profit Association registered in the Province of Alberta. The membership of the Association is made up of Half Moon Lake Hamlet Residents and Half Moon Lake Estates residents and all residents who abut the lake.

Located in the County of Strathcona, the purpose of the Half Moon Lake Residents’ Association, in accordance with it’s bylaws, is to facilitate cooperative community planning that fosters good will among residents, to provide common voice and a democratic forum for community issues and to conserve the benefits of our semi-rural and lake environment that will enhance our lifestyle at Half Moon Lake.

The rural area of Half Moon Lake has experienced vandalism break ins and public trespassing through the Hamlet into the local Resort. In an effort to stop this from happening and work with local RCMP to capture these criminals; the Half Moon Lake Residents Association will develop a Project as part of it’s neighborhood watch program to install security cameras.

There will be a total of 8 cameras installed at four(4) locations. A preliminary layout for these cameras is attached herein.

The cameras will be installed on Residents Properties adjacent to the street and will have the technical ability to capture vehicle license plates even at night. Our plan will be to coordinate this project with Gord Johnston the Associate Commissioner of Community Services and the RCMP to collaborate on how data can be used. The current Project Budget for this excluding community labor for installation is $20,590. Quotes for the cost of a two camera installation at a single location are included herein.
The costs for power installation and ongoing operating power costs will be covered by Residents Association. The ask represents just under half of the value of the installation of the Cameras. The Residents Association will cover the remaining portion of the installation of this Project.

If there is any additional information needed in support of this application, please do not hesitate to call.
