# WILD *NORTH*

**Northern Alberta Wildlife Rescue & Rehabilitation**

# Mission

- ▶ To deliver services to people of Northern Alberta with wildlife-related concerns by providing compassionate care to injured and orphaned wildlife and by educating our communities about humanely coexisting with wildlife.

# Vision

- ▶ To provide world-class care for wildlife in need and to become Alberta's champion and resource for a respectful co-existence between people and wildlife.

# Facts and Figures

- ▶ We have admitted over 20,000 wild animals since our establishment in 1989
- ▶ Currently, over 2,700 wildlife patients are treated at WILDNorth annually (approximately 200 coming in from Strathcona County)
- ▶ In 2018, WILDNorth treated over 150 different species
- ▶ WILDNorth annually fields over 8,000 wildlife related calls a year (approximately 300 coming from Strathcona County)
- ▶ WILDNorth relies heavily on over 240 active volunteers, including post-secondary students, to help run a majority of our programs
- ▶ WILDNorth educated nearly 6,500 students in the 2018-2019 school year (with approximately 190 students taught in Strathcona County)
- ▶ WILDNorth has partnerships with over 65 organizations and vet clinics around the city of Edmonton and in Northern Alberta, many of which accept wildlife for us and/or partner on programs (we partner with Park Veterinary Centre and Lakeside Veterinary Clinic in Sherwood Park)
