Dear Sirs/Madam:

Re: Application for Council Priority Funds

In August 2019 the Jubilee Landing Residents Association was formed and registered under the Alberta Societies Act.

The Objectives of the Association are:

- To protect and advance the interests of all owners covered by the Association on matters concerning housing, the environment, **social, and community life**
- **To encourage community spirit and work towards the elimination of all forms of discrimination**
- To promote the interests and rights of home owners
- To ensure that all members are consulted regularly and that all residents eligible for membership are encouraged to join
- To preserve and support the facilities and amenities of the area
- To help build a good relationship between residents and Parkbridge Lifestyle Communities Inc.

In order to encourage community spirit, the Association wishes to provide an opportunity for our residents to become better acquainted with their neighbours by hosting a Valentine themed dinner party. An event such as this will foster stronger relationships with our neighbours and strengthen our community. Since our mobile home park does not have a community hall, it is necessary for us to rent an outside facility to hold community-building events.
