Revised Due Date: End of quarter one of 2020

Council and Committee History

July 19, 2019 *THAT Administration prepare a report by the end of the fourth quarter of 2019 on options for partnering with Habitat for Humanity to create more affordable housing in Strathcona County.*

Rationale

There are no Priorities Committee meetings scheduled in November and December 2019. It is recommended that the Habitat for Humanity Partnership Options report be taken to Priorities Committee so that the Committee can receive all relevant information and engage in meaningful discussion around the recommendations presented in the report.

The extra time would ensure that all options, approaches and impacts have been fully explored to ensure that they are viable options for the Committee to consider.
