Review of Councillor Code of Conduct Bylaw 27-2018

THAT Strathcona County *Bylaw 27-2018* be brought back to Priorities Committee for review at the September 15, 2020 Priorities Committee to allow for discussion of matters noted by Legislative and Legal Services at the May 15, 2018 Council Priority Meeting regarding two specific aspects of the formal complaint process in the bylaw as approved by Council on June 19, 2017:

1. Council's approach *"differs from the approach taken by some other municipalities"* in that *"the complaint process is limited to members of Council (e.g. members of the public are not able to make a Code of Conduct complaint);"*
2. *Further, while some municipalities are relying on an independent external investigator to receive and investigate complaints, the process approved by Council under the Bylaw has the whole of Council as the main body to receive complaints"*
