

# Councillor Request Inquiry #16-2020

2020

## Garbage Pick-up in Rural County Ditches

**Please provide a summary of the number of requests made to the County to pick up garbage in rural County ditches over the last three years, up to and including May 31, 2020.**

Good afternoon Council,

Transportation and Agriculture Services would like to provide the following response regarding information that has been gathered on the number of requests made to pick up garbage in rural County ditches over the last three years up to and including May 31, 2020.

### Information Request

Garbage Pick-up in Rural County Ditches

**Request by:** L. Delainey, Ward 6

**Department:** Transportation and Agriculture Services

**Due:** June 23, 2020

The report shows that there have been 532 County Connect cases tied to road debris issues as shown on the chart below:

TAS	2017	2018	2019	2020 (January 1 to May 31)
Rural North	53	22	51	13
Rural South	106	98	111	38
Misc (self serve)	7	14	15	4

Should you have any questions please contact David Churchill at 780-417-7130 or [David.Churchill@strathcona.ca](mailto:David.Churchill@strathcona.ca).

Thank you,

### Kara Markine

Administrative Assistant to the Director  
Transportation and Agriculture Services
