Brief description of request

We are requesting council priority funds to host our Blue and Gold day at the Emerald Hills Sports Pavilion. We have requested through facility bookings a day in late May or early June.

This is an opportunity for our players and families from Novice, Atom, Peewee and Bantam to meet in a fun environment with a BBQ. It is a great way to kick off our season and promote team building both for the players and families!

Dear Strathcona County Council members,

January 24, 2020

I am writing this letter as the fundraising director for the Strathcona County Minor Football Association. We are a non-profit Football club located in Strathcona County and use the Brentwood School field as our home base. We have our office and equipment storage at the Emerald Hills Sports Pavilion.

Our mission and values are to offer football to all interested youth who want to participate regardless of previous playing experience or skill level. We encourage the development of leadership skills and sportsmanship with an emphasis on respect for self, teammates, coaches, opponents and officials. We strive to instill these values and positive youth development.

Strathcona County Minor Football has been in Strathcona County since 1974! Our programming is growing and changing as the community needs change. We recently added a flag football team for plays 6-8years old. We have a diverse group of youth who look forward to a rewarding football season each year.

I am kindly requesting council priority funds to help with the cost associated with holding a Blue and Gold day. Our Blue and Gold day is held at the Emerald hills Sports Pavilion and is the kick off to our season. We will hold this in late May or early June depending on which day facility bookings provides. All our players and families from Novice, Atom, Peewee and Bantam come to the field for a fun day of practice, team building and a BBQ.

Thank you kindly for your consideration,  
Amy Olson-Glover  
Fundraising Director
