Brief description of request

The Gillies Road Park and Playground are up for redevelopment this year by Strathcona County. Our organization is looking to raise funds to add onto the county's budget. To Whom it May Concern,

October 6, 2019

My name is Michelle Barker and I am on the of committee members for the 'Gillies Playground Redevelopment Association'. Our committee is comprised of engaged community members who are interested in supporting the redevelopment of our neighbourhood playground.

The playground on Gillies road in the neighbourhood of Westboro is outdated and in need of new equipment as well as structural modifications. The specific space mentioned has been well utilized by the community members for an extended period of time and will continue to be used for years to come by future residents. This playground is integral in providing children and their families space to enjoy time together, time outside in nature as well as important physical activity.

As an association we are requesting your company's support in meeting our financial goals. We are specifically looking to raise at least \$5,000 to put towards potential new equipment to enhance the Gillies Playground. We would appreciate your financial support in meeting our goals.

Thank you for consideration of this application for funding.

Please do not hesitate to contact our committee with any questions or concerns. We look forward to working with your company further.

Thank you,

Hi Vicky,

Thanks again for your call yesterday.

I just wanted to confirm the name for cheque being made. The bank account is under the name 'Gillies Park Redevelopment Association'. I think my application may have said playground in the name?

If you could confirm the names are the same or make that change, that would be great.

Thanks again for all your assistance with this.

Have a great day,

Michelle Barker
