Brief description of request

To compliment the updates taking place to the outdoor courts in Josephburg JAS requests assistance at this time to run power to the detached garage that houses our ball program equipment. Through a provincial gov't grant given to all Ag Societies we were able to upgrade the overhead door to a more secure, power-operated overhead door & add lighting. Power needed to be run from the community hall to the garage. We have covered the cost of overhead door and some of the lighting. We would greatly appreciate assistance with getting power to the building and the balance of the lighting.

Re: Request for Priority Funding

Please consider this our formal request for assistance with funding a much-needed utility on our detached garage in Josephburg (map attached).

This garage is used to house our ball program equipment. Each spring we have 90-some kids register for TeeBall4Fun and SoftBall4Fun. The program runs May to June. Our longtime Ball Director, Billie Borys heads up the program and lines up eager ball coach parents to assist each year. This is very much a family-oriented program with often the whole family coming to practice and making use of our playground, the adult fitness area and our outdoor washroom facilities.

Having power to the building will assist with the new overhead door we purchased through a provincial grant offered to all ag societies in 2019. We have had a very simple metal overhead door with a combination lock that is thankfully being changed out to a heavier, keyless entry door. Our coaches need to access this building and the combination lock has been challenging at times. This new door requires power and with the renovations to the Basketball/Pickleball Court underway, now is the time to have power installed.

We enjoy offering events and programming to the Ward 5 area of Strathcona County and value this partnership on the project. We have many ways to thank our sponsors and we would be glad to acknowledge Strathcona County in any manner requested.

Thank you for taking time to review our request.

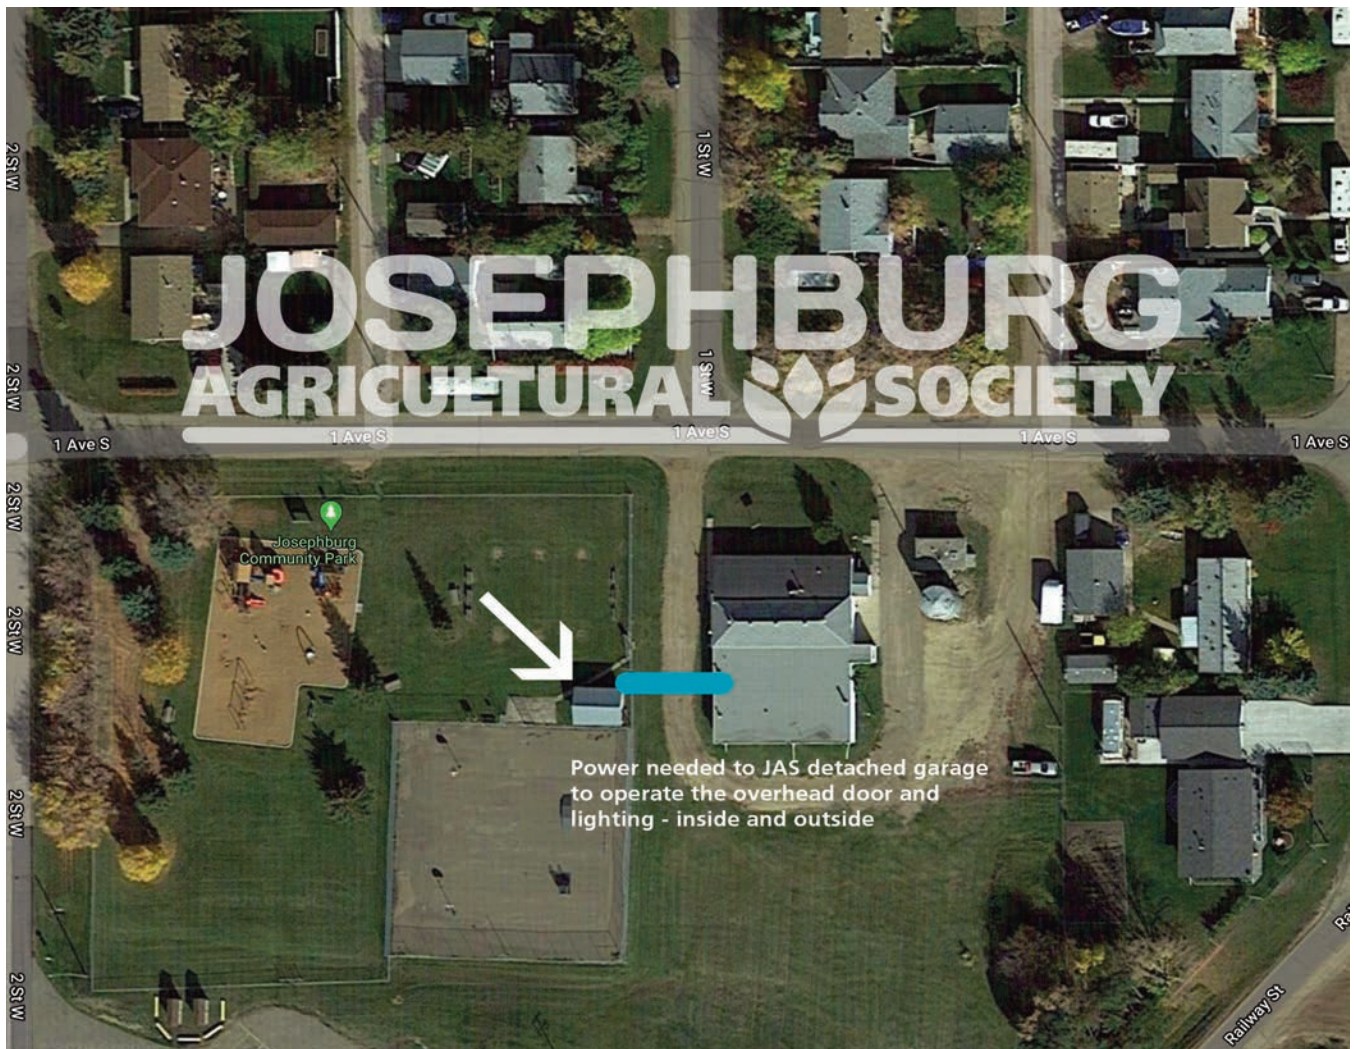

Sincerely,

K. Ardelle McPherson
