STRATEGIC INITIATIVE AND UPDATE

COVID-19 Relaunch Status Update for September 15

Report Purpose

To provide Council an update on the current status of the COVID-19 relaunch and other related matters.

Our Prioritized Strategic Goals

Goal 1 - Build strong communities to support the diverse needs of residents

Goal 6 - Provide facilities and services that are available and accessible to residents

Report

Strathcona County continues to implement our relaunch strategies following the provincial Stage 2 guidance. Additional services and facility re-openings will continue into the Fall. Our staff continue to provide services to the community in both an onsite and remote working environment. With the resumption of in-class learning at our schools and increased numbers of residents returning to their workplaces, we continue to monitor our local situation and remain ready to act to ensure the safety of our residents and staff.

COVID-19 resources and relaunch strategy details for all Albertans can be found at [Alberta Health Services](#). Local level information for our residents is available on the [COVID-19 site](#).
