**Report**

Strathcona County continues to follow the COVID-19 provincial Stage 2 guidance. Alberta Health Services has reported a steady rise in case numbers over the last few weeks. SCEMA continues to monitor the local situation and remains ready to act. This may include adjustments to services to support the health and safety of residents and staff in our community. The steps to be taken will be contingent on advice from the provincial government coupled with local considerations that best support our staff, citizens and businesses.

COVID-19 resources and relaunch strategy details for all Albertans can be found at [Alberta Health Services](#). Local level information for our residents is available on the [COVID-19 site](#).
