Attention: Office of the Elected Officials

The Antler Lake Uncas Community League wishes to apply for \$3790.50 from the County Priority Fund to provide on the 19th December 2020 for our local residence and the surrounding area a Christmas Tree Lighting ceremony to usher in the Christmas festivities. A sleigh ride will be provided to transport the local residence to and from the hall with Mr & Mrs Clause aboard. It has been confirmed by the sleigh ride provider that they will be able to provide this service while maintaining social distancing and fulfilling all other COVID-19 restrictions. The lights will remain on for the Christmas period to be viewed and enjoyed by all.

During the tree lighting, which will be performed by professional installers, hot chocolate and s'mores will be provided in a manner that will assure social distancing is adhered to. Santa will also be providing a small gift to the children. As this is an outdoor event and social distancing is possible, glow sticks will be provided to be used during the singing of Christmas carols while the Christmas tree lights are turned on.

The Antler Lake Community League wishes to provide this event in an effort to build the Christmas spirit and bring the community together. If there is a positive response it is intend to make this an annual event and a local tradition.
