Brief description of request

Should Covid restrictions allow, we are hoping to organize a dry event to offer our grads. This will be an outdoor event (including food, music, etc.) with appropriate covid measures in place to give the grads an opportunity to finish off this important moment in their lives.

Dear Council Members,

My name is Jennifer Bylsma and I am writing to you on behalf of the parent committee responsible for the Dry Grad at Strathcona Christian Academy. The parents of the Senior Class are raising funds for the Class of 2021's Drug and Alcohol Free Graduation celebration. Our purpose and goal is to raise enough funds to support a Dry Grad event for all students in the grade 12 class. Funds and donations raised will be used to help cover the costs of the evening including venue fees, food, and door prizes.

Due to Covid, the class has been limited to how they can fundraise and we are looking for community sponsors to help us cover this event so that there is minimal cost to the grads. At this time we are asking that the council consider donating to our dry grad to help us in this endeavour. We appreciate you taking the time to review our application and look forward to hearing from you. You can contact me on my cell at (587) 984-4202.

Sincerely,
