STRATEGIC INITIATIVE AND UPDATE**Transportation and Agriculture Services- Department Business Plan Update****Report Purpose**

To provide Priorities Committee an update on the 2019 – 2022 Department Business Plan for Transportation and Agriculture Services.

Our Prioritized Strategic Goals

Goal 2 - Manage, invest and plan for sustainable municipal infrastructure

Goal 5 - Foster collaboration through regional, community and governmental partnerships

Goal 7 - Provide opportunities for public engagement and communication

Goal 9 - Continuously improving the way we work, as one organization, in an agile and sustainable manner

Report

Transportation and Agriculture Services mission is to “Inspire community by enabling safe travel and agriculture”. The department is committed to supporting our residents and other levels of government through the delivery of programs and services in the areas of Public Works, Winter Maintenance, Right-of-Way Management and Agriculture. Across all department programs, we provide the essential infrastructure and services that contribute to a high standard of quality of life for residents throughout urban and rural Strathcona County. Enabling safe travel speaks to the function of the department to ensure residents can move safely throughout our network of roads and walkways in every season. The work we do to enable agriculture involves the protection of soil and water, pest and vegetation control, along with education and awareness to ensure a strong rural community lifestyle.

Department core business functions include:

- Public Works – Urban and Rural
 - Road maintenance
 - Trail maintenance
 - Parking lot maintenance
 - Sidewalk and curb repair
 - Sign installation (new) and maintenance (existing)
 - Railway crossing maintenance
 - Airport management
 - Airport maintenance
