Brief description of request

Hello:

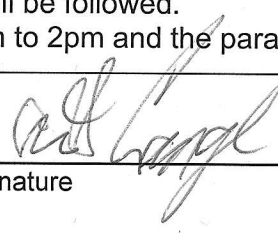

ARAS is planning a modified Parade & Picnic this year on June 19 due to Covid. We are only planning two events - a modified parade and a farmers market. For the parade we will have family groups stay in their cars along the route and each car be separated a minimum of 6 ft from the next. The parade entrants will go by in the normal fashion. This will assure that there is no inter-family contact and no parade entrant to parade spectator contact. We are also planning a few static displays like the Vintage Tractors and possibly a roving band on a trailer.

The Farmers Market will be in the usual format that we have used for the past three years (and during last summer's Covid restrictions). Vendors will be spaced out in the field next to the Memorial Hall with at least 6ft between them and all AHS rules will be followed.

The Farmers Market will operate from 10am to 2pm and the parade will be at 11am.
