Re: Accessibility Advisory Committee Mandate Letter for 2021 and 2022

On behalf of Strathcona County Council, thank you for your hard work in supporting and facilitating the achievement of Strathcona County's Strategic Plan. Your role in providing a forum for examining timely issues and providing advice to Strathcona County Council related to your mandate supports our efforts to becoming "Canada's most livable community."

Strathcona County Council requests that during 2021 and 2022 you focus your efforts on the activities indicated below. We also ask that you report to Priorities Committee on your progress before the end of the fourth quarter of each year.

Activity	Requested Completion Date
Provide input into the Diversity and Inclusion Policy implementation to ensure an accessibility lens is consistently applied.	Q4 2022
Invite community organizations and/or groups with perspectives on accessibility challenges in Strathcona County to discuss and identify opportunities for increased accessibility.	Q4 2022
Provide advice and considerations on how to help educate the business community on actions that promote greater accessibility.	Q4 2022
Participate in engagements related to the concept and design of a potential Fieldhouse to ensure consideration of an accessibility lens.	Q4 2022
Provide advice to Council on community safety and wellbeing impacts and special considerations for residents with accessibility challenges.	Q4 2022
Provide advice to Council on pandemic impacts and potential solutions as they relate to residents with accessibility challenges.	Q4 2022

In order to help you achieve your mandate, the following guidelines on several committee topics are provided to you; however, please consult your Administrative Representative should require more detail on these matters.

Annual Work Plan and Meeting Schedule

- Council Committees will develop an annual work plan that identifies priorities for each planned meeting based on the mandate items noted in this letter (typically takes place at the first meeting of the committee).
- In consultation with the Administrative Representative, establish available resources for each priority as part of the work plan (there are limits to available resources and thus at times it will be necessary to seek Council approval for certain resourcing requests).
- Council Committees are asked to hold 6 to 8 meetings within a calendar year.
- Informal "council committee meetings" are not permitted since they would not be compliant with the County's obligations under the Municipal Government Act and since they are beyond the County's allocated resources for committees.
- Any subcommittees established by the Committee should not exceed a quorum and subcommittees must report to the Committee with their recommendations for the Committee's discussion and consideration.

- Administrative Representatives are expected to provide approximately up to 8 hours of support per committee meeting (this includes agenda preparation, website administration, meeting logistics, minutes, report writing, and coordination, etc.).
- Administration can provide the committees with information, research, or data already within its possession; however, requests for information, research or data not currently available or requiring additional work requires Council approval by way of report to Council.
- Committee meetings must be held at County facilities or by way of the County's virtual platforms.
- Council Committees may establish sub-committees from among their members to support their work; however, County administrative resources are not available for sub-committee meetings.

- Council's spokesperson is the Mayor and any communications from council committees must follow the County's communication protocols (e.g. must be reviewed by the County's communications department or approved by Council).
- Council committees may invite community groups or other stakeholders to their meetings and solicit input from such groups; however, any broader communication on County policies, positions, or priorities must be approved by Council. This includes news articles, social media, surveys, and other forms of communication.
- Communication resources for the County are allocated according to Council approved priorities and budget and thus support requests for communications strategies, surveys, and other extensive projects require Council approval.

Reporting to Council:

- Council advisory committees are required to report at least annually to the Priorities Committee on progress made on their mandated items; however, council advisory committees may report to Council or Priorities Committee more frequently as required.
- Additions or changes to the mandate of the committee require Council approval by way of report.
- Councillors appointed to the council committees may choose to raise matters of importance to the committee with Council, but this is solely at the discretion of the individual Councillor.
- All reports to Council or Priorities Committee must be added to the appropriate agenda by the Administrative Representative and must comply with the standard report deadlines and requirements.

I would like to take this opportunity to sincerely thank you for your commitment to Strathcona County and for agreeing to be part of the Accessibility Advisory Committee. Strathcona County Council looks forward to hearing about your progress on these important activities and receiving your advice.

Sincerely,

Rod Frank, MAYOR STRATHCONA COUNTY
