Update to Strathcona County's Cumulative Risk Assessment

THAT Administration provide to Council by the end of third quarter of 2021, an update to the County's Cumulative Risk Assessment, including risk contour maps, that identify risks related to industry on the western boundary of Sherwood Park, to include areas east of Highway 216 to RR 222 and north of Wye Road to Twp. Road 542.

Background

At the November 24, 2020 Council meeting Councillor Linton Delainey present Notice of Motion to be presented at the December 8, 2020 Council meeting.
