**Report**

The developer is proposing a horse naming theme for the roadways within the western half of the Cambrian Crossing Area Structure Plan area. The developer has proposed a theme that incorporates recognition of the heritage of horses throughout Strathcona County as highlighted in the December 2013 Strathcona County Living newsletter edition (Enclosure 6). The proposed names in alphabetical order along with their meaning are listed in the table shown in Enclosure 4.

In addition to the proposed 20 horse naming themed road names, three additional road names are proposed: CAMBRIAN BOULEVARD which creates connection to the neighbourhood namesake; CRESTVIEW TERRACE which connects Cambrian crossing east and west; and BROOKSIDE DRIVE which meanders along the Pointe-Aux-Pins Creek.

The road names proposed meet the requirements of the County's naming policy.
