Brief description of request

Due to the recent approval of motion on disc golf in Sherwood Park and Strathcona County, Sherwood Park Disc Golf Association would like to humbly request priority funds for the purchase of 18 portable disc golf baskets. SPDGA will utilise these baskets along with our recently purchased collection of discs to set up pop up disc golf courses, lend them to community groups for local events and assist schools with disc golf programming. SPDGA will actively pursue opportunities to get disc golf into the community. Once locations are determined by Strathcona County for local "pitch and putts" or a permanent disc golf course these baskets can be repurposed to be used in fixed locations.

Hey Chris,

See below quote for portable baskets

Discraft ChainStar Pro (Highest Quality) - 18 baskets with portable stand and wheel - \$10500.00
(shipping included)

If you need more information let me know. Otherwise I'll reach out once I've heard back from the other manufacturers regarding pricing on the additional ground sleeves and tee pad/tee sign packages.

Ryan
Gander Disc Golf.

Disc golf is a fun, healthy and safe activity that the whole community can enjoy, and it has grown tremendously in popularity over the past few years. Other than the purchase of a disc, there is no cost to play, making it a truly accessible sport. It's a great way to spend time with friends or family, and easily accommodates social distancing. A typical 18 hole game takes about an hour to play and doesn't require pre-booking. Just go out and play! A disk golf course in Sherwood Park would have a positive economic impact, as it would draw players and enthusiasts from other areas.

With the recent motion approval from council, Sherwood Park Disc Golf Association would like to humbly request funding for 18 portable disc golf baskets. SPDGA would utilize these baskets by hosting pop up disc golf events and lending them to local community and school groups. When Strathcona County selects locations baskets can be repurposed to be placed in those locations.

Please contact us with any questions,
